

REALITY CHECK: A GUIDE TO NAVIGATING THE AI INFORMATION FLOOD

Thursday, August 27, 6:30 p.m.
Dartmouth North Branch Library

Overwhelmed by AI in your daily searches and feeds?

Join Laura Gardner, Teacher Librarian at Dartmouth Middle School, and Mariah Tarentino, Development and Communications Coordinator at YWCA Southeastern Massachusetts, for a presentation on how artificial intelligence actually works, why it creates convincing misinformation, and how baked-in bias shapes its answers.
