

# VINEYARD WIND -- New Bedford and Beyond

---

**Tuesday, May 7, 2:00 p.m.**  
**Southworth Library**

---

Join local photographer Nancy Edwards for a slide presentation on the Vineyard Wind project which is being assembled in the Port of New Bedford.

Through photographs that she's taken since the first barge arrived in New Bedford in 2023, Ms. Edwards will document the effort to build 62 offshore wind turbines in the largest offshore wind development in the United States.
