

Friends of the Dartmouth Libraries

Serving and Supporting Our Libraries

All funds received through our “continuing” book sale, semi-annual book sales and membership fees are used to:

- Support the “Patrons Select” book collection, purchasing extra copies of popular books and making them available on a “first come-first serve” basis
- Provide a wide variety of passes to area museums and parks that offer discount admissions
- Renew movie licenses to show films including foreign and independent films
- Fund children’s and young adult programs including an extensive summer program with various performers, craft supplies, and prizes for summer reading clubs
- Sponsor special events for adults—local authors discussing unsolved crimes, world travels, paranormal experiences, art classes, health classes and museum trips
- Sponsor the annual Molly Little Winter Art Film Series, and more!

And in September 2019, FODL donated \$25,000 to support the new North Branch, Dartmouth Library with funds made possible by our members, donors and the patrons of our various book sales.
