Friends of the Dartmouth Libraries

Serving and Supporting Our Libraries

Your support helps the Friends fund special Library programs and services like:

- Children's and teen programs, including popular summer and school-vacation activities
- Adult programs about local history, AI, art, world events, and other timely topics
- Museum and park passes that make cultural and recreational experiences more affordable
- Additional copies of popular books in the Patrons Select collection
- Community favorites like *AuthorsLive* and the annual *Molly Little Film Series*

The Friends also **make major Library investments** including $25,000 for the North Branch Children's Room and $15,000 toward the purchase of new computers at Southworth.
