On the church Calendar, Sunday, November 29, is the first Sunday in Advent marking the beginning of a new “church year”. Advent means the coming or introduction of something important. ... For us, as Christians, Advent means “coming”, the coming of God’s Promise made flesh in a lowly manger in Bethlehem.

Blue, the first color of the liturgical colors, is used in our observance of a new church year. Advent, a preparatory time of waiting and watching, communicates the message of hope. BLUE-the color of the sky-helps convey that powerful message. Our Christian faith rests Christ, who came in assuming our flesh and will also return on the last day of time from that same blue sky to which He ascended into long ago.

The Advent wreath, or Advent crown, is a Christian tradition that symbolizes the passage of the four weeks of Advent in the liturgical calendar. The concept of the Advent wreath originated among German Lutherans in the 16th century. However, it was not until three centuries later that the modern Advent wreath took shape.

The Advent Wreath is an evergreen wreath with four candles, sometimes with a fifth, white candle in the center. Beginning with the First Sunday of Advent, the lighting of a candle can be accompanied by a scripture reading. An additional candle is lit on each subsequent Sunday until, by the last Sunday of Advent, all four candles are lit. Some Advent wreaths include a fifth, Christ candle which is lit at Christmas Eve or Christmas Day. The custom originated in family settings but has also become widespread in public worship.

In the mid 1800’s a Protestant pastor in Germany and a pioneer in urban mission work among the poor, became the inventor of the modern Advent wreath in the 19th century. During Advent, children at the mission school in Germany, would ask him daily if Christmas had arrived. In 1839, the pastor built a large wooden ring (made out of an old cartwheel) with 20 small red and 4 large white candles. A small candle was lit successively every weekday and Saturday during Advent. On Sundays, a large white candle was lit. The

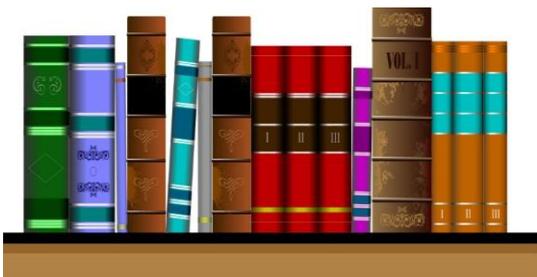

custom gained ground among Protestant churches in Germany and evolved into the smaller wreath with four or five candles known today.

What will your Advent be like? Over the years it has been a time for many people of planning for the Christmas (or some call the “Holiday”) celebration(s). Advent can be a time of meal planning and purchasing the “right gift” for the “right person”. In the midst of all of this planning is the real “reason for the season” lost? Many people greet others with the words, “Happy Holidays” which totally takes Christ out of the picture, since a “Holiday” could be referring to the 4<sup>th</sup> of July and not December 25.

This Advent Season is different with the effects of Covid-19, but as Christians let’s also make it different by spreading the “Reason for the Season” in greeting people with the words “Merry Christmas” or “Have a Blessed Christmas”. Avoid using the unchristian message “Happy Holidays” in your personal greetings as well as the Christmas Greeting Cards that you may use.

I wish you the many Blessings of this Advent Season and a very Blessed Christmas!

## Teaching the Children of Ukraine

God be praised! The teaching of English through the LCMS mission to Ukraine has exploded! We have been blessed with 15 adults and children in our community beginner class. Kipps's private lessons have gained students. I have started teaching in a local school for four hours a day, teaching the elementary students English. We both have English classes for the clergy and staff of the cathedral. We are team teaching a beginner's level English class on Zoom for the children in Kherson, Ukraine. On November 15, 2020 we will be starting a conversation and group discussion class for the children of Odessa, Ukraine.

This new group will be made up of children from 12-18 years of age, who need to practice their discussion and conversation skills in English. This teen group will meet after church for

fellowship and conversations. Kipp and I will team teach this class after Sunday school English lessons.

We were invited into a local school to see what school is like in Odessa, Ukraine. This is a small private school that keeps their class sizes small and children are given personal attention to their educational needs. The school asked Kipp and I to come in and do a presentation for each grade level. After our presentations we were offered a position to teach four days a week. I took this on since I have such fun with teaching elementary students. It was challenging at first, but now is something both the students and I look forward to each day.

The community classes have spread by word of mouth and signs out in front of the cathedral. Even during this challenging time of Covid-19, the class is packed. I will be splitting the class into two groups as restrictions grow tighter. The students range from 10 years old to 83 years old. The intergenerational part is fantastic! The students help each other out and are not afraid to contribute. This was a huge hurdle to overcome. The school system has exceptional literacy rates and knowledge retention but, from the student's perspective is a harsh learning environment. My students were not willing to make mistakes. I rewarded and praised those who would contribute and take risks. We played many games and combined lessons with food. Between this, God's help, and my teaching style, the students are eager to help each other, and freely respond to class.

The Sunday school class has just gotten off of the ground. After two lessons the children, their teacher, and I are getting to know each other. They have a wide range of skills and are at that age where they don't like to contribute to class. With time, patience, and God's direction we will progress nicely! I keep inventing games and other ways to draw them out.

Kipp is now leading morning prayer for Bishop and his staff every Friday in English. They use the blue hymnals and follow the prayer liturgy. We are very fortunate to have the ability to attend morning and noon prayer services every

day. There is a Saturday service for confession and a Sunday service with communion. Pastor Cortright, out of Riga, Latvia, holds a service in English for Eurasia missionary members every week. This provides us with fellowship, a chance to hear English, and bond with the other missionaries in our area. Pastor Cortright and his wife Connie have also been providing pastoral care for Kipp and I. I do not know how we would have made it without them and another missionary, Ben Helge. They are there to pick us up, urge us forward and quiet the noise with God's Word. We want to thank them for their care for us as well as Bishop Maschewski and his wonderful staff here. When you are far from home it's the thoughtfulness, and care that help you get through difficulties.

**THANK YOU ! May God Bless and Care for you all!**

**This letter was sent to my email from Tamara Beaudoin. They are the Missionaries from the Ukraine that we support. Thought I would share her letter. Shirley**

Merry Christmas!

The story of Jesus' birth is a story we are all so familiar with. We have grown up listening to this story over and over and it is ingrained in our minds. The reason why we celebrate Christmas. What if you have never heard the story of Jesus' birth? What if you have never heard of who Jesus is? How would your life be different if you did not have Jesus in it?

There are many people out there that have never heard of the story of Jesus' birth. Can you believe it? So many children, so many adults have never heard of this story. Imagine how they are living their life. What are they doing, or who are they turning to when they do something wrong, or need something? Do they ask for forgiveness? If they do not know how, who are we to judge them for their actions? We should not be judging anyone. As a Christian it is our job to spread the love of Jesus. It is our job to tell our friends and family about Jesus. **'Jesus said to him, "I am the way, and the truth, and the life. No one comes to the Father except through me.' John 14:6**

This year among every other year we have the opportunity to share the story of Jesus' birth. Christmas is a special time of year for everyone, believers, and nonbelievers. Since we have put in the new audio video system, we have an opportunity to spread this story to everyone through social media and video. We are asking families or anyone who would like to be a part of this opportunity to come forward. We are going to set aside a few days for families to come into the church one family at a time to record their part. Parts will be handed out ahead of time and practiced at home. Everything will be wiped down between each family.

We have the opportunity to reach a lot of friends and family with the video of Jesus' birth, I pray that you will take part in it. Please let us know ASAP if you have not already done so. We will showcase the story on December 16<sup>th</sup> at 6:30 in the sanctuary. We have plenty of room to properly physical distance including the fellowship hall and narthex. We also understand that not everyone feels comfortable coming into the church, which is why after we showcase it on December 16<sup>th</sup> it will be available on YouTube and on our website to watch.

*Have a Merry Christmas! Never stop spreading the love of Jesus.*

#### **Newsletter article – December 2020**

Christmas is coming. It is a joyous time of feasting. The Church feasts upon the Word of God in sermon, song, and sacrament.

We hear the proclamation of the message of the angels: “Fear not, for behold, I bring you good news of great joy that will be for all the people. For unto you is born this day in the city of David a Savior, who is Christ the Lord” (Luke 2:10-11). We mingle our voices with theirs as we sing, “Glory to God in the highest, and on earth peace among those with whom he is pleased” (Luke 2:14)! We receive the proclaimed Savior, Christ the Lord, not wrapped in swaddling clothes and lying in manger but wrapped in bread and wine placed into our mouths for the forgiveness of sins, life, and salvation. We feast in great joy indeed because of this great blessing from our Lord and God.

God’s people in ancient Israel also feasted with great joy. The Lord showered His abundant blessing on His people. And He commanded them to feast upon it (Deuteronomy 16). The people were to go to the place appointed, where the Lord would make His name dwell, and give offerings, each man as he was able, according to the blessing of the Lord that He had given them (Deut. 16:10, 15, 17).

And there the Lord would bless them with joy as they feasted upon what the Lord had provided. They ate of the choice parts of their offerings. They enjoyed the company of all the people of God as they together heard His promises of blessing, sang of His bountiful goodness, and partook of what He gave.

We feast on the Word who became flesh to dwell among us, not just during Christmas but throughout all the year. We feast not just on the salvation He has wrought for us in His Son, our Lord Jesus Christ, but we feast also on all the temporal blessings that God gives out of His fatherly divine goodness and mercy, without any merit or worthiness in us. We enjoy the rich bounty that God provides, not only in Word and Sacrament, but also in house and home, property and income, family and friends.

Let us then, as did our brothers in the faith from ancient Israel, give as we are able, according to the blessing of the Lord our God that He has given us. Let us, like them, give generously of the first fruits of our income, which He gives, so that all may know and enjoy the salvation He gives and the joy we have in the Savior born in the city of David, who is Christ the Lord. **The Lutheran Church—Missouri Synod**

## **COVID-19 PREPAREDNESS PLAN**

You may be wondering what we are doing at church to keep everything sanitized and clean. We do have a COVID-19 preparedness plan. If you would like to read through it all, just ask, we would be happy to send you a copy. The most important thing is wearing a mask while inside the church. The pews are cleaned and wiped down with a disinfectant after the first service and before the second service, plus Monday mornings. The mics are wiped down after being used, the handrails, doors, light switches are wiped down every Monday or as needed if there is more traffic in the church. Each classroom is cleaned with a disinfectant after every use. We ask members and guests to sit on the ends of the pew if they are not from the same household or one household per pew. Every other pew is roped off to maintain physical distancing. As you can see, we have practices in place to maintain a clean environment.

## **VIRTUAL WORSHIP**
