Tomika Taliah Jones-Waters

Dear Councilor Tomika Taliah Jones-Waters,

It has come to our attention that your actions during the past election cycle are in direct violation of the Delaware County Democratic Committee (DCDC) bylaws, which are also followed by the Yeadon Democratic Committee (YDC). By circulating and/or signing the nominating petition for Learin Johnson, a candidate identifying herself as member of the Independent Party, you are in direct violation of the following provisions resulting in your disqualification from serving on the YDC:

SECTION 3. General Disqualification. *No person shall be eligible to serve on the DCDC who:*

(a) *holds a political appointive office of profit under an administration -- municipal, county, state or national -- opposed to the Democratic Party (except offices of a judicial character or appointed by the courts or Notaries Public). This section shall not be construed to prevent a member of any Democratic committee from serving on boards or commissions of any administration or serving as solicitor for any county or municipal administration;*

(b) *has entered into an agreement with an opponent or opponent(s) of the Democratic Party to support such opponents;*

(c) *has supported a candidate opposed to the Democratic Party (except for candidates who cross-file for an office in which cross-filing is permitted by law) by voice, public support, financial support or*

otherwise, within the prior two years; or

(d) was an active member, e.g., a committee person, of any other political party at any time within the two years immediately preceding the date of the election or appointment by which he or she would become a member of the DCDC; or

(e) circulates or causes to have circulated any campaign literature or sample ballot designed to imply an endorsement by the DCDC or any Municipal Democratic Committee, when such endorsement has not been given or has been given to another candidate.

Until these matters are fully resolved, and a determination is made at that County level regarding your membership status, you are hereby excluded from participating in any and all YDC meetings or activities including but not limited to representing yourself as a party member and working on the polls.

Sincerely,

Florence "Penny" McDonald
