

# Stepping into the good life

*Mark and Debbie Dunfee*

“Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest.”  
Joshua 1:9

Dear friend and Partner

When you take a STEP of FAITH you are stepping into GODS BEST for your life. The step that you take today is bringing you to a new place of INCREASE and BLESSING. But it takes faith to get there.

Just imagine the questions in Joshua’s mind as he contemplated the conquest of Canaan land. Moses had recently gone to Glory and the task ahead seemed to be insurmountable. Yet God visited Joshua and strengthened him in the inner man so that he knew exactly what to do.

Twelve Priests representing each tribe of Israel bore the Ark of the Covenant on their shoulders. The river Jordan was impassable but God had a plan. He promised that the very moment that the soles of the Priests feet touched the Jordan the waters would role back.

The very moment that the Spiritual Leaders took a step of Faith GOD would make a SUPERNATURAL WAY where there was no way. Their steps of Faith brought a whole NATION into their GOD GIVEN INHERITANCE.

**JESUS IS STILL DOING IT TODAY**

All that you have to do is take the steps of Faith that Jesus has preordained for you from the foundation of the earth. OPEN DOORS await the obedient child of God who steps out in Faith.

By God's Grace that's going to be me and that is going to be you. Never before have we had such wonderful open doors that lay before us. We continue to preach across the SOUTH in our TENT and in wonderful churches.

Today a wonderful GOD GIVEN THOUGHT came to me. I have a MILLION DOLLAR VISION. When JESUS gives us a million dollars I know exactly what to do with it to reach millions of precious souls.

On a daily basis we take steps of GREAT FAITH and you take them with us. We are not alone because Jesus is with us and the Holy Spirit is constantly speaking GOOD THINGS TO OTHER PEOPLE ABOUT THIS MINISTRY.

Your Partner gift this month means more than you can ever know. Your faithfulness is touching WAY MORE LIVES than you will ever know. As you give this month wrap your faith around your SEED and Joyfully sow it.

God BLESS you for joining us in the greatest END TIME REVIVAL and HARVEST of LOST SOULS that the WORLD has ever seen. JESUS and I will never forget your faithfulness to GOD'S WORK. A GREAT ETERNAL REWARD awaits and MUCH JOY and PROSPERITY in THIS LIFE.
