In early 2023, we bought Mother's Table Family Restaurant. It was my dream to own my own restaurant and have something I can leave for our children's future. Cooking is not new to me, I have been cooking in a variety of restaurants for more than 20 years.

I learned to cook from my mom and learned to cook breakfast by working multiple kitchens.

"I love to cook," Omar says, "And try new things. My goal is to make the customers happy and keep them wanting more."
