

Harry Rice Racing

The Nurburgring Endurance Series 2025

ABOUT HARRY

Harry has already achieved some impressive career milestones:

2019: Breaking Records and Turning Heads

At just 14, Harry became the youngest ever winner of the prestigious Junior Saloon Car Championship (JSCC) Scholarship, triumphing over 60 competitors in areas like fitness, media, and driving. This remarkable achievement earned him a fully funded season in the JSCC, marking his transition from karting to car racing—a huge leap in his career.

2020: Building on Success

Harry continued to impress in the JSCC Championship and continued in the Championship for 2020 where he delivered consistent podium finishes and securing an admirable 6th place in the overall standings. His standout performances caught the attention of Motorsport UK, leading to his selection for the exclusive Enhanced Diploma in Sporting Excellence—a two-year program designed to cultivate the next generation of elite drivers.

2022: Transition to Senior Racing

Harry made a bold leap into senior competition, navigating early mechanical setbacks with resilience and determination. A mid-season car change transformed his fortunes, culminating in a spectacular podium finish and an impressive 3rd place in the championship standings—a testament to Harry's adaptability and skill under pressure.

ABOUT HARRY

2023: Mastering Rear-Wheel Drive with Porsche

Stepping into the prestigious Porsche Club Championship, Harry embraced the challenge of racing rear-wheel-drive sports cars.

This season marked a pivotal period of growth, sharpening his skills and laying the groundwork for his ascent to European racing. With a solid performance, Harry set the stage for what promised to be an exciting 2024.

2024: Partnering with Aston Martin at the Nürburgring

Harry's journey reaches new heights in 2024 as he joined European Racing to compete in the Nürburgring Endurance Championship. Representing one of the world's most iconic luxury car brands, Aston Martin, Harry has spent the years gaining his Nurburgring Licence and finished 2024 with the high of a podium for the final round of the Championship.

2025: The Championship Challenge

Harry has one aim for 2025 and that's to be a Championship challenger! Harry will be aiming for consistent podiums throughout the Championship in pursuit of the ultimate prize—being crowned the 2025 Champion. This year promises to be a defining chapter in Harry's journey, as he pushes himself and his team and Aston Martin to new heights.

The Nurburgring Endurance Series

The Nurburgring Endurance Series is held exclusively on the 13-mile long, Nurburgring Nordschleife Circuit.
