The Nürburgring Endurance Series 2024

Aston Martin Vantage GT4

ABOUT HARRY

Harry's racing career started at the young age of 12 years old where he started competing at his local karting circuit, Forest Edge, racing Rotax karts.

Harry has already achieved some impressive career milestones including -

. 2019: Winner of the Junior Saloon Car Championship Scholarship

Harry won the Junior Saloon Car Championship (JSCC) Scholarship, outperforming 30 other competitions across many professional areas including fitness, media and driving. At 14 Harry was the youngest ever winner of the competition, winning the event rewarded Harry with a fully funded season of racing in the JSCC.

The scholarship gave Harry his chance to progress from karts to cars.

. 2020: Harry continued in the JSCC Championship with a successful season securing podium finishes and a 6th position in the Championship standings.

Harry's impressive start to his professional careers resulted with him being selected to enter the Motorsport UK Enhanced Diploma In sporting Excellence: A two year program designed to support young talented drivers..

ABOUT HARRY

. 2022: Harry made a huge step as he advanced from Junior Racing into Senior Competition: Harry's first season started slowly with some mechanical issues which resulted in a car change which dramatically improved results and rewarded Harry and the team with a podium position at the end of the Championship in 3rd place

2023: Harry's progression continued to the Porsche Club Championship in 2023, this gave Harry the opportunity to improve his skill set and take his first step racing in a rear-wheel drive sports car. Harry had a fine season and looks to continue his career with European Racing in 2024

2024: The Nürburgring Endurance Championship with Aston Martin: 2024 is looking amazing for Harry as he takes a huge career step with European racing with one of the world's biggest luxury car brands, Aston Martin.
