3. The focus of the work is to be on a place located in Black Mountain.
4. On-going maintenance will not be a responsibility of the Beautification Committee. Maintenance for your project should be specified in the application.
5. Members and relatives of the Beautification Committee are not eligible.

## **Black Mountain Beautification 2019 Seed Money Awards**

The Black Mountain Beautification Committee has created a "Seed Money" Award to be given to an applicant or applicants who submit a project that best exemplifies the mission of the Beautification Committee: honoring the natural beauty of the surrounding mountains, while seeking to reflect that beauty on the streets and in the lives of the citizens.

The focus of the work must be gardening related, within Black Mountain, and adding a little something extra to our town. We believe that "gardening related" can have a broad view, and we encourage you to use your imagination. The money for this project comes from proceeds raised at the Black Mountain Garden Show and Sale. The amount of money awarded will not exceed \$1000.00. This award amount is generally divided between several application projects.

The deadline for this application is Monday, March 11, 2019. Please visit the Beautification Committee website at [blackmountainbeautification.org](http://blackmountainbeautification.org), our Facebook page, Town Hall, The Black Mountain Chamber of Commerce, or The Black Mountain Public Library to receive additional applications.

Attached is an application.

Sincerely,  
*Lisa Wasoski*
