

With regret we announce that the 15th Annual Black Mountain Garden Sale sponsored by the Black Mountain Beautification Committee has had to cancel this annual celebration of Spring. We are deeply saddened by having to do this, but the health of each of us is critically important.

We ask that you, once the danger of COVID-19 has passed, please consider visiting the wonderful vendors of the Black Mountain Garden Sale. The growers need your support now more than ever and we encourage you to visit and purchase from their magnificent gardens. As always, BE sure to contact them prior to any visit.

Below is an alphabetical listing of the vendors with their contact information and plant specialty. You will notice a number in parenthesis by their name. This is the number of years they have been vendors at the Garden Sale. We plan to have them back with us the third weekend of May in 2021. Mark your calendar.
