### Black Mountain Beautification 2024 Seed Money Award Information

The Black Mountain Beautification Committee has created a Seed Money Award to be given to an in-town business, church or organization that submits a plan for a project that best exemplifies our mission.

The focus of the work must be a garden related improvement plan that involves plant material or hardscape. The project must be within the town limits, be visible to the public, and should add an extra bit of beauty to our town. Funds for this project come from proceeds raised at our annual Black Mountain Beautification Committee Garden Sale. The amount of money awarded will not exceed \$2,500.00. These seed funds are generally divided among several award projects.

The deadline for applying is Friday, March 15, 2024. Applications may be found on our website ( [blackmountainbeautification.org](http://blackmountainbeautification.org).), or at the Town Hall, the Black Mountain Visitor Center (Chamber of Commerce), or at the Black Mountain Library.

For more information, please contact Jean Chamberlain at 614-203-9241.

Sincerely,

*Jean Chamberlain*
