From Harry –

After months of not riding, the weather has turned hot to begin summer riding. Carry water, stop and drink water often, avoid sugared drinks at lunch, cover body parts to avoid sunburn. We all have tips to stay hydrated and alert in hot weather. Take care of your ride and check the oil, tires, all that stuff. Chapter P members are going to have some great rides! Looking forward to seeing you at meetings and on rides.

JUNE 1 – A GREAT START TO SUMMER

The Chapter ride to Knights Ferry was a wonderful day to go on the road with friends and other bikes. Two white motorcycles and one white trike joined the orange trike on the trek from Antioch to Knights Ferry, by way of Hwy 4 and Mariposa Road to Escalon and then to Hwy 120. A few more back roads went by dairies, hay fields, corn fields, and open grassland near distant homes and ranches. See the photos, the day group, the 50s Roadhouse, Ron as he had to leave and get back to work, Dan on his trike, and Harry and Karen as tail-gunners. The food at the 50s Roadhouse was excellent, and the town of Knights Ferry looks to be very welcoming. A hot day, the temperature got as high as 97 degrees, but everyone managed without mishap.

California Spring Fling 2021

Small attendance this year, almost 60 attendees. Paul and Ruth did a good job keeping things moving. Lots of good food. Thank you to all that worked on meals. I wasn't much help. I ended up in the hospital one day a week after the event with too much fluid in my system. The Doctor said I was drinking too much water and not getting it back out. I dumped 18 pounds of water out of me while in the emergency room for 9 hours. Feeling better now. They called it congestive heart failure.

Lots of door prizes this year. I won a solar light for outside that I was going to buy to light an area at my home. The cats are testing it and it works good. I think 2 or 3 area rides were made with those at Spring Fling. We had bike games this year. My trike received a first place with the driver blind-folded. My passenger directing me around the cones was JoAnn Vanmeter. She said I only ran over one cone. It was a great weekend with motorcycle friends.
