Music Angels Hands (MAH) is a nonprofit organization focused on educating young students and improving society through music and joy. Angel's Times was created in order for readers to gain information on Music Angels

Hands's current news and upcoming events. Through this newsletter, Music Angels Hands hopes that they can publicize their services to citizens and share their passion with others.

### Editor's Introduction

Hi, my name is Ellen Hwang and I am the editor of Angels Times. I'm honored to have this opportunity, and in the future, I hope to provide readers with an informative and enjoyable reading experience in learning about our club and future events. In addition, I hope to encourage other people to participate in community service and support our club. Angels Times can be found on <https://gomusicangels.com/> (Music Angels Hands website).

## MAH'S 2022-23 PRESIDENT AND CO-PRESIDENT ACHIEVES SENATE AWARD BY ELLEN HWANG

Congratulations to 2022-23 President Ryan Lim and Co-President Chloe Shim for earning the Senate Award! The award was bestowed upon the two high school seniors last month at MAH's monthly meeting by California's senator, Josh Newman, in recognition of their spectacular leadership and exemplary service.

## OCTOBER'S HIGHLIGHT: GARAGE SALE BY ELLEN HWANG

Music Angels Hands will host a garage sale Oct. 28 from 1-5pm at Clavier Music School's parking lot. The purpose of this event is to fundraise for Children's Hospital of Orange County (CHOC Hospital) and the Ronald McDonald House. Donations are always welcome, so please bring lots of items that are in new or acceptable condition! In addition, there will be a wheel of fortune that determines whether a customer receives a free product or free food item. The food provided will be K-street food and options will range from ramen and jeon to sotteok and Korean rice cakes. Hope to see you there!
