

Celebrity Cruises Gives You A World of Options For the Vacation You Deserve

There are so many captivating places for modern travelers to experience, and there's one way you can do that without leaving your love of the finer things in life behind. Celebrity Cruises has offered luxury vacations for more than 30 years, and as they continue to transport guests all over the world, they're always improving on that experience by designing and building some of the most innovative ships at sea. Now, Celebrity Cruises is the FIRST and ONLY cruise line to ever be Star Rated by the prestigious Forbes Travel Guide.

Forbes Travel Guide has 65 years of expertise in evaluating and verifying luxury at the finest hotels, resorts – and now resorts at sea - in the world. In the company of some of the world's most exclusive hotels. Celebrity Cruises' ships make up nearly one third of the exclusive list of only 17 hotels in the world with 1,000+ rooms to have been Star Rated by Forbes Travel Guide.

INTRODUCING A SHIP BEYOND YOUR WILDEST IMAGINATION

Welcome to a place where you can disconnect entirely while you reconnect with each other —and the world. This place is Celebrity BEYOND sm. It's the third ship in Celebrity's revolutionary Edge® Series, and it takes the brand's innovative outward-facing design further than ever, creating an even closer connection between you, the sea, and every exciting place on the horizon.

More space means more luxury to love — and more incredible outdoor escapes to discover. That includes a terraced Sunset Bar designed by Nate Berkus, with an international beach club ambience and some of the best views onboard. The reimagined Rooftop Garden now extends over the water's edge with two cantilevered float pools soaring above the sea. And The Retreat® Sundeck, part of Celebrity's ultimate luxury experience, now offers two levels of outdoor bliss.

In keeping with Celebrity's passion for creating the best fine-dining experience at sea, Celebrity Beyond offers you a culinary journey like no other. Every menu is crafted by Celebrity's Michelin starred chef and inspired by the regions they visit. Explore 32 restaurants, bars and lounges onboard, including Le Voyage, the first signature restaurant at sea by world-renowned chef Daniel Boulud. A larger, redesigned Grand Plaza with a fully circular Martini Bar — always a hot spot — is the perfect gathering place for a night on the town — miles out at sea.

Of course, all of the visionary spaces that made Celebrity's Edge Series ships so popular make their return on Celebrity BEYOND. Fly across the open ocean on the Magic Carpet®, a cantilevered platform where you can dine, drink, and soak up the amazing views. Lounge away the day at the asymmetrical, outward-facing pool area. Awaken all your senses at Eden, an

ever-evolving venue wrapped in three stories of glass. And find new ways to relax and rejuvenate at The Spa, where Celebrity took its dedication to holistic wellness to awe-inspiring new heights.
