Tempe Gets The Princess

Tempe has Arizona State University, "A" Mountain, Tempe Town Lake and much more to offer the residents of Tempe and others who visit this amazing city in the desert. Most recent, a young entrepreneur named Calvin Arailias who owns Arizona Seasons Magazine Online and is one of the top entertainers in the Southwest is adding to his businesses. Calvin has performed in California, Nevada, Texas, New Mexico, and Arizona. His shows are sell outs and people can't wait to see what he will come up with next. His newest business, Dream World Arizona Production is bringing the Princess to Tempe. Calvin understands that starting a company, especially a high growth production company like Dream World Arizona takes deep desire and is hard work. However, hard work is no stranger to Mr. Arailias. He has a sharp eye for talent. The best way to describe this young entrepreneur is, when life presents him with a song, he will sing it, when life gives him a game, he will play it, when life gives him a challenge, he will meet it, when life gives him a dream, he will realize it, when life presents him with a sacrifice, he will tender it, when life gives him love, he will enjoy it, and when life gives him a Princess, he will embrace her many talents and bring her to Tempe to showcase those talents by performing them with the Dream World Arizona Production.

For more information on opening night and other opening dates, show times, locations, and prices, contact Calvin Arailias at 480-336-0758.

Dreaming of fun is over. The fun times are here NOW!!
