Silent Thunder

Staying the Course

There hasn't been a day that past that I haven't thought about getting businesses and customers back together again. It has been difficult with this pandemic (which kept us sheltered in place for over 14 months) and some individuals are still staying in their homes with the threat of the Delta Variance surfacing. I am not a Doctor, but it is my belief that a strong immune system can help the body fight off this terrible and unwanted virus that is causing havoc all over the globe. Since the pandemic started, many of us has lost family members, friends, and love ones, but I say to you as a man who has felt those loses as well, we must be willing as one of our late president said and I quote, "We shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the success of our survival". I paraphrase the last three words to relate to our present day pandemic.

I can't say get the vaccine or not, but what I can say this virus is real and it has devastated a lot of lives all over this globe. So, I ask you to follow your heart while keeping in mind what Harvey Fierstein said, "Never be bullied into silence. Never allow yourself to be made a victim. Accept no one's definition of your life; Define yourself". I know it will not get any easier for us, however we must continue to get stronger. Granted that we find ourselves where we are unable to fly, then we must run, granted that we are unable to run, then we must walk, granted that we are unable to walk, then we must crawl, no matter what we do, we must keep moving forward. History is a sad and sometimes tragic story of the fact that pain and suffering is a prerequisite to healing. As we live day to day with this Silent Thunder (Covid/Delta Variance) we must always be reminded of what Columbus said, "You can never cross the ocean until you have the courage to lose sight of the shore". My friends in closing, I thank you for your continue support of Kups2020. My prayers go out to you and I ask you stay strong, stay safe, and stay the course.

ABOUT AGNES OBLAS, MSN, ANP-C

After graduating from the University of Minnesota with a bachelor's degree in Nursing I worked as a critical care nurse at two world renowned hospitals in Boston, Massachusetts. After 10 years of this valuable experience, I attended graduate school (Boston University and Simmons College) and received two master's degrees in Nursing becoming a board-certified Nurse Practitioner in Adult Primary Care (ANP-C).

My professional experience as a Nurse Practitioner has always been in the field of Adult Medicine/Primary Care. Most recently, I was the owner and sole provider at New Paths to Healthcare, LLC, in Phoenix, Arizona where I took pride in providing medical care to a diverse population. My approach is to work with patients in partnership. Whether it be to advise and support their efforts to minimize risk factors (namely: prevention), or to take care of incidental, episodic illnesses, or to deal with more complex conditions such as diabetes or heart disease, my #1 priority is to help patients achieve their personal highest level of health and well-being.

WHAT IS A NURSE PRACTITIONER?

A Nurse Practitioner is a registered nurse with graduate-level education and extensive professional experience and training. Nurse Practitioners are licensed by their State Board of Nursing to practice independently in an expanded role where they can examine, assess, and treat patients. No physician oversight is required. Just like any other general medical healthcare provider, issues outside the scope of practice of a Nurse Practitioner are always referred to appropriate specialties.

WHY CONSULT WITH NURSE PRACTITIONER OBLAS?

Too often, patients are rushed and left with unanswered questions about their medical issues, medications, test results, or the impact a diagnosis might have on their everyday life and family. Sometimes they are provided with confusing or conflicting information, and even sometimes no information at all. I have established CONSULT WITH NURSE PRACTITIONER OBLAS as an avenue for patients to get answers and discuss medical issues which are confusing or problematic. CONSULT WITH NURSE PRACTITIONER OBLAS is an opportunity for patients to fully learn as much as they want in a relaxed and confidential environment.

HOW DOES CONSULT WITH NURSE PRACTITIONER OBLAS WORK?

Your encounter with Nurse Practitioner Oblas begins when you call 602-405-6320. At that time, you and I will briefly discuss your medical concern(s). If you wish to proceed you will provide your electronic payment of \$120 for a full hour's consultation or \$75 for 30-minutes. No insurances are accepted, but receipts can be provided for your records or to submit on your own for reimbursement. Once paid, I will contact you via text or email at your specified time with a link to DOXY.me which is a secure, encrypted, and confidential video platform. If you choose, we can communicate by way of phone. The two of us will then spend the allotted time to discuss your situation in depth. My aim is to educate, clarify and assist you in making your own informed decisions.

I Fix It All

Kevin Harper is an army veteran, with a beautiful wife, teenage daughter and 3 fur babies. An Ahwatukee resident, He prides himself in being honest, reliable, and prompt. His motto is 15 minutes or less, because usually he can fix your phone in less than 15 minutes. Don't let that fool you though, Cpr Cell Phone repair doesn't just offer repairs, they have a full selection of new devices for sale as well, including the latest gadgets. Stop in and browse the latest selection of accessories as well, you may be surprised by what you find. As one of the only stores that are also authorized to repair Assurant insured devices as well as ZAGG replacements, you can save yourself a trip to the apple store or your cellular carrier.

Kevin has been an entrepreneur all his life but saw a need for better repair options when he broke his iPhone over a decade ago. The options at that time were to risk craigslist amateur repair men in their living rooms or be price gauged at phone companies. After learning all he could, Kevin ventured out on his own founding Ez Iphone repairs, that would later become a part of the global franchise CPR Cell Phone Repair. He set his sights on Ahwatukee after seeing the small town feel and moving

his family here from the greater phoenix area. Kevin prides himself in being a member of the Ahwatukee community. Employees become a part of his family just like the loyal customers we see time and time again for upgrades, repairs and new devices.

"He was an honest man, a hard worker, and always had a positive attitude. I am grateful to him and just want to honor him by continuing the love of jewelry and design." said his son, Walter Hollander, who inherited his father's talent and learned jewelry design by working by his father's side for ten years, is dedicated to continuing the Hollander reputation for unique design and flawless production. Cornelis's passion for beauty, dedication to excellence and unique vision live on through his son's creations.

Cornelis Hollander Jewelry Designs has built a cult-like following of dedicated clients and a perfect track record of hundreds of 5-star reviews online. Their most popular service is creating custom jewelry because of the experienced team of

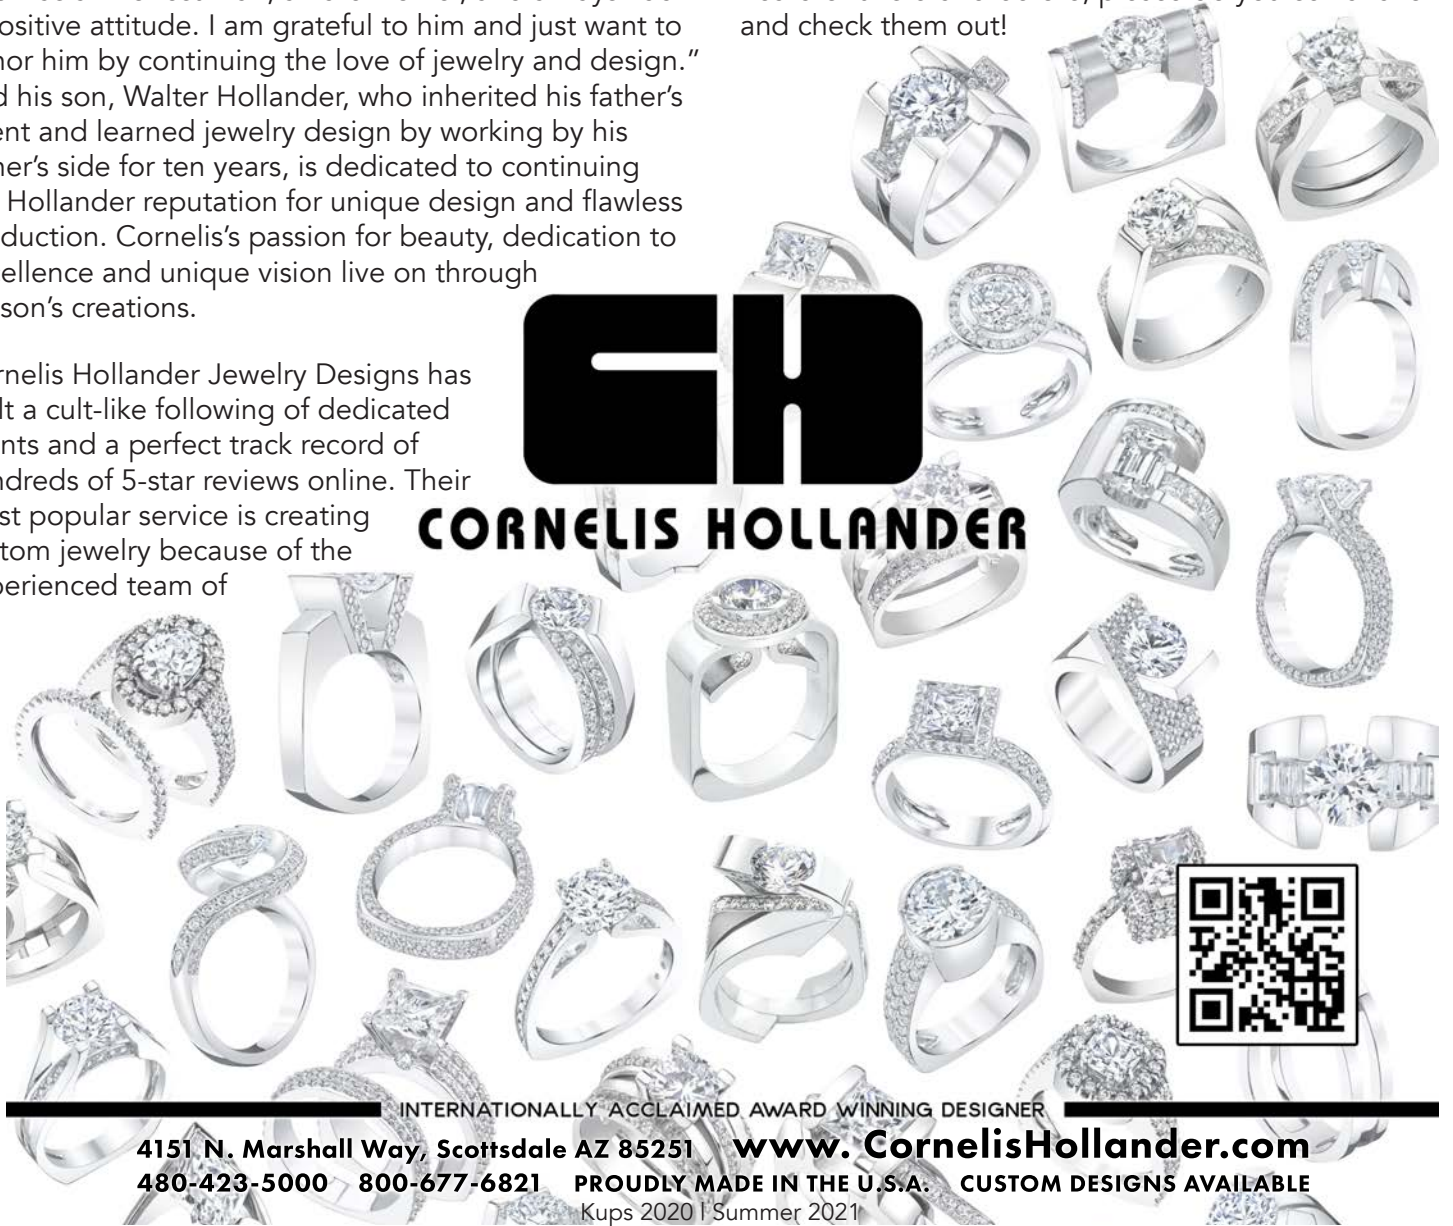

craftsmen on staff and an original design aesthetic that has won countless jewelry competitions over the years.

"It seems like more and more people in town want to join the Cornelis Hollander diamond ring club. Everyone wants us to customize our unique rings, to personalize what we create for them and make it their own," says Walter Hollander again, "We custom make everything piece of jewelry, it's what we specialize in and make affordable. We can do classic to contemporary styles, but our true followers let us make them a Cornelis Hollander original...I am new at running a jewelry company, but I am not new to this business and feel at home creating an extension of my dad's bold and beautiful catalog."

We love the jewelry this company produces and always look forward to something new from them. If you haven't heard of this brand before, please do yourself a favor and check them out!

Straight Up Tukee Style

Dr. Lee Gozdich would like to welcome you to Tukee Lifestyle Chiropractic! This state of the art office located in the Ahwatukee Foothills boasts some of the newest equipment available, such as an on sight digital x-ray machine which allows the doctor to see high resolution spinal images within seconds! The office also has a hydraulic chiropractic treatment table which raises and lowers to accommodate patients who are in pain so they do not have to climb on and off of the table– they simply step onto the platform and the table gently lowers to a horizontal position. With these tools the doctor is able to diagnose and treat the patient immediately on the first visit instead of delaying care.

Dr. Gozdich's approach is also somewhat unique. "Many chiropractors are trained in a certain technique that they apply to most patients. I am trained in several techniques and apply the particular treatment that I feel is best suited for each individual patient to get the best result. I also try to work with each patient to meet their individual goals. For instance, some patients may want to get rid of a long time pain or problem and are grateful for more of a correction of the problem. Other patients may be

seeking immediate relief of pain so that they can get back to being a weekend warrior on the bike or the golf course. I am proud to say that I am here to serve you, the patient, whatever your goals may be. In many cases where patients are seeking a correction of their spinal problem, I am able to show them pre and post treatment x-rays so that they can actually see the correction as well as feel the relief of the pain."

In his 30 year career Dr. Gozdich has treated professional and Olympic athletes, infants and elderly and everyone in between. "I love my patients and my goal is that each of them would share their experience in our office and recommend us to their friends and family. There is no greater compliment they could give."

Local Dads Going Back to School

Youth Mentor Circles to relaunch in Ahwatukee and Tempe schools

Dads from Ahwatukee and the East Valley heading back to local schools this semester. As trained volunteers of Boys to Men of Greater Phoenix, they will show up every week to create an ongoing support community for boys aged 12-18. Starting with 7th graders, this preventative group mentoring program helps boys find the confidence, tools and positive change they need on their journey to healthy manhood.

Executive Director and Ahwatukee resident, Steve Murphy announced, “This fall we plan to run 7 school-based mentoring circles in four Kyrene and Tempe Union schools. While our virtual groups will continue, we are excited to get back to our core evidence based in person programs that allows men and boys to get real about life, every week during an hour class period.”

All boys are welcome, special those attending Kyrene Centennial, Akimel or Kyrene middle schools or Tempe Union’s Mountain Pointe high school. Your son may still be able to be part of non school-based programs such as a single moms and sons group, virtual online boys and men groups, rite of passage weekends and

monthly adventure groups. Murphy shared that the 4-year partnership with Kyrene has shown improvements as high as 60% improvement in behavior and 25% increase in grades when caring adult show up for kids. Boys can also find confidence and better emotional awareness, even though Boys to Men mentors are not tutors, counselors, nor do they tell the boys what to do.

“Seventy five percent of boys in our program are growing up in fatherless homes, which increases their life risks. With Arizona’s fatherless rate at 35%, that means there are an estimated 200,000 fatherless boys growing up in Maricopa County. As a community-based organization, we rely on support from the local community in the form of volunteers and funding. We need the community’s help in order to serve more boys and families.” Murphy said. If you are interested in getting involved or learning more go to www.boysotmenphoenix.org or email at info@boystomenphoenix.org.

Boys to Men of Greater Phoenix is a nonprofit made up mostly of volunteers, that has been offering mentoring for struggling boys in Maricopa County since 2015.

Up and Beyond/Whiz Kidz Playland

We provide small group learning programs for children. Programs include handwriting therapy, feeding therapy, art and music habilitation and sensory and behavioral health's skill development. We can work one on one and in small groups of 10 or less. Our facility is a 3500sq ft learning center Whiz Kidz Playland on Chandler Blvd. It is empty with teachers, respite and habilitation workers waiting to serve families who need support with the new homeschool system and children of first responders. Both typical and those with special needs are served in an inclusive learning environment that develops social skills, empathy and relationship management. We give families the schedule and flexibility they need to survive and thrive.

Program Description: The mission of Whiz Kidz Interactive Learning Program is to prepare youth and families to become leaders. Whiz Kidz focus is to identify and develop the special talents of every single student. Our assessments are made in the areas of language arts, mathematics, music, art, foreign language, science & nature, dramatic play and physical education. Whiz Kidz is a faith-driven, family-oriented interactive learning program. We depend on the involvement of parent/guardians and family to guarantee the success of each child. The children will collaborate to learn from each other, as much as from the teacher. We value and insist on emphasizing diversity and we enforce the encouragement of self-achievement.

Our goal is to continue to grow the world's greatest all-in-one play, learning and therapy center in the world. We need top talent to serve our little ones with high energy and social development needs such as SPD, autism and ADHD. We know how hard it is to find the right environment that provides a great mix of playing and learning for that child that needs a little extra love and we pray to be that place for the communities we serve. Please join us as we accomplish our mission of being a safe, loving Play Therapy and Education center.

Company History:

Whiz Kidz Interactive, LLC was established in AZ in 2017. The founder Nichole Pitts woke up from a dream at 12 years old where God revealed her life's purpose to her. She visualized a global organization of family engagement centers that support infants, children, teens and parents through education, recreation, therapy, housing and social development. In 2002, Nichole's parents and sister teamed up to open the first Whiz Kidz Interactive Learning Program in their home state

of Maryland. This company continues to thrive as small child care organization for over 17 years. When Nichole moved to Arizona she began volunteering and working at Behavioral Health Agencies and realized the greater need for families is inclusive all in one experiences that develop the family bond. This allows for healing, unified connections, empathy and spiritual growth in typical and special needs children. The center is currently the top rated indoor playground in Arizona for children 5 and under yet we remain the best kept secret. We need business mentors and investors to give not only their monetary seed but their wisdom and experience to take Whiz Kidz to the next level.

Our services include:

- Preschool and Aftercare Centers
- Infant and Toddler Play 'n Learn Centers
- Commercial and Residential Property acquisition to provide quality group homes
- Under our 501c3 nonprofit organization Up and Beyond Family Services
- Behavioral Health Agency
- Development Disability Day Treatment Centers
- State of the Art Group Housing facilities for children in foster care and adults with developmental disabilities

Up and Beyond Family Services is a Non-Profit Organization committed to empowering the lives of young leaders. All donations benefit scholarship programs for children enrolled in Summer and Afterschool enrichment programs including Arts, Financial Literacy, College Preparation, Life Skills, Physical and Behavioral Health needs, as well as co-working with Mom programs and job assistance/entrepreneurial development programs.

Soccer Moms

When someone calls you and you are either at practice or a game, you might be a soccer mom.

More often than not, when people call me on my phone, I am either at soccer practice or a soccer game. My three son's have all played soccer. This involves driving them to practice 1-2 times a week and during some parts of the year, we have 3-4 soccer games on a Saturday. Sometimes these games overlap and I have to miss some, so my husband and I divide and conquer. We drive all over the valley for some of these games.

I played soccer for most of my life. Now you can find me cheering for my boys at their games and this is one of my favorite things to do. I love watching them play the game I love and I wouldn't want to be anywhere else.

Now as we start a new season of soccer and our weekdays are filling up with soccer practices and our weekends with soccer games, you will know where you can find me.

Back in the Taste of Things

Ahwatukee, Chandler, and Gilbert the question is where have you been for the last seven years? I don't know, but I do know where you should have been and that is WHEREUBEAN Coffee. Serving the best coffee for over seven years, made from the best beans from Chicago and using the best brand, Intelligentsia can only add up to one thing. WHEREUBEAN has the best coffee. While you are having yourself a cup of their great coffee, why not have a slice of their tasty cake. Their cake was so good, one of their customers after having a slice said, "we love the cake because we felt the love in the baking". When I asked Ayesha where did she learn this information and skills set from, she said, "I've been baking for my kids and family for years. I fell in love with doing it. That love for baking and making coffee has led me to this quote, "Great coffee is not the result of chance".

WHEREUBEAN Coffee also serves all kinds of tea blends. Loose tea freshly brewed for you. If you don't get buzz with your tea, they have teas that will keep you straight. WHEREUBEAN Coffee is also in accordance with the CDC Guide Lines. They observe social

distancing, masks are worn inside the business, plus curbside service (pickup) is available for customers who just want to drive up and go. Ok Ahwatukee, Chandler, and Gilbert, what are you waiting for. Go on over to WHEREUBEAN Coffee today!

Chillin' While You're Sippin'

Bergies Coffee Roast House prides itself on its artisan quality coffee. All of our beans are small batch roasted on site by Brian Bergeson and several other trained roasting staff. Our Bergies team has a passion to not only provide a great cup of coffee to our customers, but to also provide them with an opportunity to discover their own personal favorites through education about the wide variety of beans and roast options Bergies offers.

Bergies was founded in 2008 by the Bergeson family in Gilbert, Arizona with the commitment to provide our community with a small gathering place that would make customers feel at home when they walked through the door of our cottage.

We are located in the original Forest Clare homestead built in 1919. We are honored to be a stop on the official historic walking tour in our Heritage District. There is a bronze plaque on the front of the property which displays a photo of the original home. Some of the Clare family descendants still reside in Gilbert and participated in our 10 year business anniversary and our celebration of the 100 year anniversary of our building.

In addition to our commitment to our customers, we are passionate about supporting many non-profits in the Gilbert community and beyond. We actively support Young Life Gilbert, Young Life Africa, Midwest Food Bank Arizona, Feed My Starving Children, and HD South home of the Gilbert Historical Museum to name a few.

We are honored to be part of such an amazing community and appreciate that our customers have rewarded us with many best of honors in the East Valley. If you would like to experience the Bergies difference come in and meet our amazing staff in the shop, or visit us every Saturday morning at the Gilbert Farmers Market or visit us online at bergiescoffee.com

My Rosati's Pizza

Keeping it Real Since 1964

Matt is the owner of Rosati's Pizza in Ahwatukee and more to come throughout the valley in the next few years. Matt and his wife have owned and operated several Rosati's Pizza Businesses between Phoenix and Wisconsin for the past 41 years. He is no stranger to making the best pizza money can buy. After talking to Matt and his Wife, I can understand why Rosati's pizza surpassed the previous No. 1 pizza business in the Nation.

Here are some of the things that sets Matt apart from other pizza owners. Matt gives First Responders and Police 50% off their orders everyday, 7 days a week. Matt has also put together a Outreach program for Firemen, Police, and Hotel Workers. Here is how it works, if a person cancels his or her order, or if there is an item left off the pizza, Matt will donate that pizza to one of the business listed above. Matt has also implemented the Rosati's Gold Coin Promotion. When a person from the Hotel refers a buying customer to Rosati's, they receive a Rosati's Gold Colored Coin. When they have saved 10 coins, they get \$20.00 worth of food. Matt also gives a Senior Discount. So Phoenix if you want to experience

what 41 years of making the nation's best pizza taste like, stop in today and order your pizza from Rosati's. Take it home for family night, enjoy it with friends and family while watching a sporting event. You will find yourself more on the couch and chair than in the kitchen.
