Giving This Holiday Season

Tomorrow comes every morning we wake up. What can we do better today that we didn't do yesterday? We can start by being nice to our fellow man or woman. As this Holiday Season approaches, it's a great time to show what a random act of kindness means. There are people, families, and organizations that will need help during this Holiday Season. You can start by volunteering your time to help some people, their families or help an organization that help people and families, with food baskets, rides, toys for kids, cloths, and other essential items and services.

During this season of giving and service, keep in mind the words of an American President, Ronald Regan who said, "There is no limit to the amount of good you can do, if you don't care who gets the credit." I am asking everyone who can, help someone who can't. A random act of kindness goes a long way in helping to provide service to those who need it during this holiday season. Holidays come every 365 days, however, service and giving awakes with us every day and goes to bed with us each night. Readers keep in mind that a little bit of service and giving can go a long way in helping those in need.

In closing, thank you for supporting Kups2020. I welcome any stories you may have that would benefit our readers and advertisers. Happy Holidays to you and your families.

Rosati's Pizza

Keeping it Real Since 1964

Matt is the owner of Rosati's Pizza in Ahwatukee and more to come throughout the valley in the next few years. Matt and his wife have owned and operated several Rosati's Pizza Businesses between Phoenix and Wisconsin for the past 41 years. He is no stranger to making the best pizza money can buy. After talking to Matt and his Wife, I can understand why Rosati's pizza surpassed the previous No. 1 pizza business in the Nation.

Here are some of the things that sets Matt apart from other pizza owners. Matt gives First Responders and Police 50% off their orders everyday, 7 days a week. Matt has also put together a Outreach program for Firemen, Police, and Hotel Workers. Here is how it works, if a person cancels his or her order, or if there is an item left off the pizza, Matt will donate that pizza to one of the business listed above. Matt has also implemented the Rosati's Gold Coin Promotion. When a person from the Hotel refers a buying customer to Rosati's, they receive a Rosati's Gold Colored Coin. When they have saved 10 coins, they get \$20.00 worth of food. Matt also gives a Senior Discount. So Phoenix if you want to experience

what 41 years of making the nation's best pizza taste like, stop in today and order your pizza from Rosati's. Take it home for family night, enjoy it with friends and family while watching a sporting event. You will find yourself more on the couch and chair than in the kitchen.

The Valley Loves it's Coffee

Yes, I'm talking about Phoenix and it's sister cities. Ranked ninth in nation, it's easy to say Phoenicians love their coffee. Now it's easy when the #1 coffee maker has locations thru out metropolitan Phoenix. Yes, I'm talking about Starbucks Coffee. The great logo and choices of coffee, coffee lovers keep coming back every day. Sometimes two and three times in one day to enjoy that great taste and it's many choices.

Let me tell you a little about this wonderful company. There is a character in the classic book named Starbuck Captain Ahab's first mate and no-nonsense crew member of the Pequod. In the book, he's known for his quite nature and moral goodness. Now unlike the name after him, he is not the type to indulge. In an online study guide, Moby Dick even joked, "If Starbucks were Starbuck, you would get a tall coffee with 2% milk." According to the company website, the Co-Founders Gordon Bowker, Jerry Baldwin, and Zev Siegl chose the name Starbucks because it evokes "the romance of the high Seas and the sea faring tradition of the early coffee traders.

The next time you are sitting in a Starbucks Coffee drinking the Latte or Mocha, think about what it means to be part of the Starbucks Family.

Andy, The 411 of The Tukee

Meet the man behind The Ahwatukee Foothills Chamber of Commerce, Andy Hayes.

Ahwatukee is one of the best keep secrets in the valley. If you live in Lakewood, Mountain Park, The Foothills, Club West, The Equestrium, or the Original Tukee. it's big and it's all Ahwatukee. Andy is a very special part of the Tukee.

Formed in 1994 by local Ahwatukee business professionals to strengthen the local economy, promote the community, provide networking opportunities and represent the interest of business, the Chamber takes pride in the role community leadership. It is a comprehensive resource for the community and the voice of commerce representing hundreds of businesses working together to improve the quality of life for each of us who choose to live, work and play in Ahwatukee.

Andy is a native Arizonan who was born and raised in Tempe. He went from kindergarten to a senior in college all in one city, Tempe. Andy graduated from Marcos de Niza High School and quickly enrolled at Arizona State University where he graduated with a Bachelor of Science in Business Administration. After graduation, he accepted a sales position with the local Ice Cream plant and was off and running. Within a year he moved to five different states from New Mexico, Los Angeles, Seattle and Cincinnati before settling in Ahwatukee to raise a family. Last year he traded in his sales gig for the opportunity to become Executive Director for the Ahwatukee Chamber.

Back in the early nineties, Andy wanted to be part of building this new community called Ahwatukee and decided to raise his family here. He describes his family as tight-knit with family meals, holiday gatherings and road trips to see Arizona State play baseball. The gathering and trips include his two sons Andrew and Michael and his two daughters Courtney and Madeline.

All four graduated from Desert Vista High School (and Kyrene School District) and the kids were always involved in the community. Andrew, a graduate of ASU is currently an Ambassador for the Chamber and has been involved with PONY Baseball and Ahwatukee YMCA in a number of capacities from coaching to fundraising. Courtney, also a Sun Devil, is working from home in Ahwatukee for the Pharma industry. Michael, a student at Arizona State, is also very involved in the community umpiring and teaching kids the finer points of baseball. Madeline is completing her degree at ASU and working at the local Starbucks. The entire Hayes family continues to rally around Ahwatukee and support local businesses, following in dad's footsteps.

said Hayes. Although COVID hit his community hard, Andy and the Chamber worked with many businesses in Ahwatukee on grant programs, saving small businesses throughout Ahwatukee over \$110,000. One of the big things Andy takes pride in is keeping all of the businesses engaged in applying for grants and funding as well as supporting them on social media with programs like Ahwatukee Take-Out and Support Local Ahwatukee. Andy adapted networking through ZOOM and other media to help the community stay informed. It is an exciting time for the Chamber as there seems to be light at the end of the COVID-19 tunnel. Andy continues working and being a champion for the Ahwatukee Chamber and the Business Community.

As the Director he has had to deal with the pandemic. As COVID-19 hit Ahwatukee (and the entire state) the business community has seen downturn just like the rest of the country. Luckily he had a supportive Board and a strong set of Ambassadors, committees, staff and business leaders to help navigate the Chamber through the tough business cycle. "We could not have done it without strong leadership at the top. Our Board Chair Tom Dougherty was, and is instrumental in the Chamber's stabilization. Without his persistence on the board, the Chamber could have had an entirely different outcome,"

Young and in Charge

Sir Barbershop New Owner

It was Monday morning at 10:00am when I walked through the doors of SIR Barbershop in Ahwatukee. I was greeted by the owner Bryan as he was working on his client Joey (shown in the picture in the chair getting his hair cut). After saying hello to Bryan and telling him I was there to take pictures and interview him, I turned to his client Joey in the chair and asked him what he liked about Sir Barbershop? Joey responded by saying, "I come back for the personalization and quality work I receive". As I put down my brief case and took out my camera to start taking pictures of the business (inside and out) Carlos was working on his client Steve who was getting a hair cut as well. As I continued to take pictures inside the business, I noticed a pool table set up for clients who would come in and wait for their time to get in the seat. Closest to the pool table was Jesse cutting his client Diego's hair. This group of professional Barber's are truly the best. As I was taking pictures, I couldn't help but see the interaction Bryan, Carson, and Jesse were having with their clients. That level of professionalism would only be contributed to the character of the owner, Bryan. This upscale Barber Shop in Ahwatukee is really the place to go for your Barber needs. You can get a

Regular Cut, Buzz Cut, Fade, Shave, Beard trimmed and more. Appointments are strongly suggested, but walk ins are welcome. And if you have to wait a few minutes, there is a beautiful pool table, you can pass the time by playing a game of pool. Now let me tell you something about the owner Bryan who makes all this happen.

Bryan was born and raised in Arizona. When he graduated from High School, he attended one year at Grand Canyon University studying Engineering before focusing on his family business. He is the product of a family of Barbers. It's in his blood and he wanted to do it. Once this business gets more established (adding four more chairs which when fully staffed would bring the businesses up to ten barbers) he is expanding to other locations in the valley. This young man has an eye for business. The next time you need a hair cut, shave, or your beard trimmed, go see Bryan, Carlos, or Jesse, they will take great care of you.

So Ahwatukee, Chandler, and Gilbert what are you waiting for, go see the barbers at SIR Barbershop.

Tukee Tude

Yes I'm talking about Ahwatukee having an attitude. An attitude of competitiveness. First, there are the Residents who landscape their front and back lawns to keep this community beautiful. Having lived in Ahwatukee for over seven years, I would always make sure that my lawns (front and back) were well manicured. Trees were trimmed, grass was cut, and gravel and stones were placed perfectly. Second, you have the Businesses who will keep their products and services in front (through advertising) of the buying public with very competitive pricing. No matter if you live in Ahwatukee, visiting a family member(s) or friend(s), you will find that the Residents and Businesses have an attitude of competitiveness in keeping their places beautiful. The next time you have a few hours to spend doing something different, go have lunch, dinner, or just hike in Ahwatukee and experience the Tukee Tude for yourself.

Our Bergies team has a passion to not only provide a great cup of coffee to our customers, but to also provide them with an opportunity to discover their own personal favorites through education about the wide variety of beans and roast options Bergies offers.

Bergies was founded in 2008 by the Bergeson family in Gilbert, Arizona with the commitment to provide our community with a small gathering place that would make customers feel at home when they walked through the door of our cottage.

We are located in the original Forest Clare homestead built in 1919. We are honored to be a stop on the official historic walking tour in our Heritage District. There is a bronze plaque on the front of the property which displays a photo of the original home. Some of the Clare family descendants still reside in Gilbert and participated in our 10 year business anniversary and our celebration of the 100 year anniversary of our building.

In addition to our commitment to our customers, we are passionate about supporting many non-profits in the Gilbert community and beyond. We actively support Young Life Gilbert, Young Life Africa, Midwest Food Bank Arizona, Feed My Starving Children, and HD South home of the Gilbert Historical Museum to name a few.
