Experience the Connection

Spring is in the air. As the end of this pandemic draws closer, you can start to feel somewhat normal again. I say somewhat because I believe things will never be the same again. We can welcome this new normal with hope, love, and patience. Hope in each and everything we do. Remember that, "it is not the strongest of species that survive, nor the most intelligent, but the one most responsive to change" Charles Darwin. Love Mother Earth and the beauty she has given us, and the patience to seek the difference.

Think about this, What If we could come back stronger, What If we would take a professional chance (and start a business), What If we could bring back our local economy stronger, and What If we created more opportunities for businesses and people to come together. These are only a few What If? Let us as a people come together and straighten out that question mark(?) into an exclamation point(!) and say we can come back stronger! and we can come back better! We are strong Cities, strong States, and a strong Nation. Our strength is undefeatable. Herman Melville said, "We cannot live only for ourselves, a thousand fibers connects us with our fellow men; and among those fibers, as sympathetic threads, our actions run as causes, and they come back to us as effects".

As we start to slowly move towards this new normal, Kups2020 wants to you experience the connection between you and the businesses in the communities starting with Ahwatukee, Chandler, and Gilbert. The What If Campaign will consist of four to five businesses in each mall participating in drawings and prize giveaways. These prizes will consist of: Dinners for two, Dream Vacations Giveaways, Shopping Spree, Gas Cards and more. Music and Karaoke will be provided for your enjoyment and buying experience. I want you to come out and support your local businesses by singing a song, maybe doing a little dance, spend some money, and get your name in the drawings. So Ahwatukee, Chandler, Gilbert and other Cities come out and give your support to these businesses and enjoy yourself in the process!

For more details, see ad on pages 16 and 17.

Making Your Dream Vacations Come To Life

Travel has been a passion of mine for as long as I can remember and I've been very blessed over the years to have seen so much of this wonderful world. One of the things that gives me the most joy is to explore and experience as many cultures, countries and adventures as I can. I bought my Dream Vacations franchise after a successful career in corporate America and spending as much of my free time as possible traveling internationally as well as exploring local areas.

Throughout these wonderful travel experiences, I always enjoyed the excitement that would build as the planning advanced—it's a great feeling to be able to share that excitement while helping clients plan their Dream Vacations. In addition to planning individual trips for solo travelers, couples, friends, and families, I work with groups who want to have personalized service and leave the arrangements to me. I recognize the value of time and that each person's needs are different which is why I tailor my services to your needs and provide each client a personalized experience.

My goals are to help you create unforgettable memories and amazing experiences while providing you with the best value and customer experience possible. Working with me as your travel advisor, we build a relationship over time. I'm the person you speak with when you call

about any aspect of your vacation including if you need assistance during your vacation—you get the same person every time you call. Also, as the world learns to adapt to the changing travel environment, I can help guide you through new processes and protocols to help put you at ease.

As part of Dream Vacations, I often have access to exclusive offers and promotions which I can share with you and help you create that extraordinary experience.

Young and in Charge

Sir Barbershop New Owner

It was Monday morning at 10:00am when I walked through the doors of SIR Barbershop in Ahwatukee. I was greeted by the owner Bryan as he was working on his client Joey (shown in the picture in the chair getting his hair cut). After saying hello to Bryan and telling him I was there to take pictures and interview him, I turned to his client Joey in the chair and asked him what he liked about Sir Barbershop? Joey responded by saying, "I come back for the personalization and quality work I receive". As I put down my brief case and took out my camera to start taking pictures of the business (inside and out) Carlos was working on his client Steve who was getting a hair cut as well. As I continued to take pictures inside the business, I noticed a pool table set up for clients who would come in and wait for their time to get in the seat. Closest to the pool table was Jesse cutting his client Diego's hair. This group of professional Barber's are truly the best. As I was taking pictures, I couldn't help but see the interaction Bryan, Carson, and Jesse were having with their clients. That level of professionalism would only be contributed to the character of the owner, Bryan. This upscale Barber Shop in Ahwatukee is really the place to go for your Barber needs. You can get a

Regular Cut, Buzz Cut, Fade, Shave, Beard trimmed and more. Appointments are strongly suggested, but walk ins are welcome. And if you have to wait a few minutes, there is a beautiful pool table, you can pass the time by playing a game of pool. Now let me tell you something about the owner Bryan who makes all this happen.

Bryan was born and raised in Arizona. When he graduated from High School, he attended one year at Grand Canyon University studying Engineering before focusing on his family business. He is the product of a family of Barbers. It's in his blood and he wanted to do it. Once this business gets more established (adding four more chairs which when fully staffed would bring the businesses up to ten barbers) he is expanding to other locations in the valley. This young man has an eye for business. The next time you need a hair cut, shave, or your beard trimmed, go see Bryan, Carlos, or Jesse, they will take great care of you.

So Ahwatukee, Chandler, and Gilbert what are you waiting for, go see the barbers at SIR Barbershop.

Back in the Taste of Things

Ahwatukee, Chandler, and Gilbert the question is where have you been for the last seven years? I don't know, but I do know where you should have been and that is WHEREUBEAN Coffee. Serving the best coffee for over seven years, made from the best beans from Chicago and using the best brand, Intelligentsia can only add up to one thing. WHEREUBEAN has the best coffee. While you are having yourself a cup of their great coffee, why not have a slice of their tasty cake. Their cake was so good, one of their customers after having a slice said, "we love the cake because we felt the love in the baking". When I asked Ayesha where did she learn this information and skills set from, she said, "I've been baking for my kids and family for years. I fell in love with doing it. That love for baking and making coffee has led me to this quote, "Great coffee is not the result of chance".

WHEREUBEAN Coffee also serves all kinds of tea blends. Lose tea freshly brewed for you. If you don't to get buzz with your tea, they have teas that will keep you straight. WHEREUBEAN Coffee is also in accordance with the CDC Guide Lines. They observe social

distancing, masks are worn inside the business, plus curb side service (pickup) is available for customers who just want to drive up and go. Ok Ahwatukee, Chandler, and Gilbert, what are you waiting for. Go on over to WHEREUBEAN Coffee today!

Bergies Coffee Roast House prides itself on its artisan quality coffee. All of our beans are small batch roasted on site by Brian Bergeson and several other trained roasting staff. Our Bergies team has a passion to not only provide a great cup of coffee to our customers, but to also provide them with an opportunity to discover their own personal favorites through education about the wide variety of beans and roast options Bergies offers.

Bergies was founded in 2008 by the Bergeson family in Gilbert, Arizona with the commitment to provide our community with a small gathering place that would make customers feel at home when they walked through the door of our cottage.

We are located in the original Forest Clare homestead built in 1919. We are honored to be a stop on the official historic walking tour in our Heritage District. There is a bronze plaque on the front of the property which displays a photo of the original home. Some of the Clare family descendants still reside in Gilbert and participated in our 10 year business anniversary and our celebration of the 100 year anniversary of our building.

In addition to our commitment to our customers, we are passionate about supporting many non-profits in the Gilbert community and beyond. We actively support Young Life Gilbert, Young Life Africa, Midwest Food Bank Arizona, Feed My Starving Children, and HD South home of the Gilbert Historical Museum to name a few.

We are honored to be part of such an amazing community and appreciate that our customers have rewarded us with many best of honors in the East Valley. The Man and His Business

After giving five years of his life to the United States Navy (Thank you for your service Sir) as a small boat and crane operator, Kirk Kirkpatrick had ideas of his own. After leaving the Navy, he went to work for AAMCO Transmission as their Senior Operations Manager. When Kirk was asked why the automotive field? He replied, "It was my military training". Kirk went on to log some serious hours at AAMCO Transmissions that adds up to over 34 years in the automotive business. Six of those years include owning his own AAMCO Transmission Business right here in Chandler, Arizona. Kirk chose Chandler because the previous owner was selling and the opportunity presented itself to him. Kirk purchased the business and turned it into one of the best Transmission Shops in Metropolitan Phoenix. Phillis Schlafly once said, "location is the key to most businesses and the entrepreneurs typically build their reputation at a particular spot." And the Great Tim Russert of Meet the Press would say during elections time for candidates to win it was "location, location, location or Florida, Florida". Kirk Kirkpatrick knows that, and with his business located right at the end of Chandler next to Ahwatukee and down the street from

Gilbert, he picked the right spot. So, when your car, your neighbors car, a family members car or a friends car is ready for service, take your car to Kirk, he will get you back on the road. He's at Double AA Beep Beep MCO in Chandler. Payment plans are available.

Rosati's Pizza

Keeping it Real Since 1964

Matt is the owner of Rosati's Pizza in Ahwatukee and more to come throughout the valley in the next few years. Matt and his wife have owned and operated several Rosati's Pizza Businesses between Phoenix and Wisconsin for the past 41 years. He is no stranger to making the best pizza money can buy. After talking to Matt and his Wife, I can understand why Rosati's pizza surpassed the previous No. 1 pizza business in the Nation.

Here are some of the things that sets Matt apart from other pizza owners. Matt gives First Responders and Police 50% off their orders everyday, 7 days a week. Matt has also put together a Outreach program for Firemen, Police, and Hotel Workers. Here is how it works, if a person cancels his or her order, or if there is an item left off the pizza, Matt will donate that pizza to one of the business listed above. Matt has also implemented the Rosati's Gold Coin Promotion. When a person from the Hotel refers a buying customer to Rosati's, they receive a Rosati's Gold Colored Coin. When they have saved 10 coins, they get \$20.00 worth of food. Matt also gives a Senior Discount. So Phoenix if you want to experience

what 41 years of making the nation's best pizza taste like, stop in today and order your pizza from Rosati's. Take it home for family night, enjoy it with friends and family while watching a sporting event. You will find yourself more on the couch and chair than in the kitchen.
