The Dawn of a New Decade

As winter approaches and we leave one of the worst years (2020) behind us, we can safely say we have our work cut out for us. When we start getting ready for the New Year, let us keep in mind what we did to make it this far. We washed our hands often, put our masks on, practiced social distancing, and sheltered in place. I know, my emotions were tested as well. However, we are strong. And we got through it to this point in time. Let's make no mistake about it, this virus is real and dangerous. We must continue to observe the CDC guidelines and help one another until we get through this pandemic. I ask you to support the businesses that are open but respect the guidelines that will keep you, your families, and friends safe. Once again we can start by helping someone that is having difficulties and have been struggling through this pandemic. Support your local businesses and volunteer anytime the opportunity presents itself. Service to others is the price we pay for our time here on earth. You can look at service as the bridge that links our lives here on earth to the next life that awaits us. One of our American Poet, Maya Angelou said, "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." That is so true, after talking to several of my colleagues about that, one testimonial stood out. This individual didn't remember what was said to him, and he didn't remember what was done for him, however, he told me how he felt afterwards. The peace, calmness, and completion that he felt will never be forgotten. After thinking back on the conversations I had with these fine individuals and seeing that sense of serenity and completion, I couldn't help but feel those feeling too. So when you volunteer to help someone or provide a service, know that the person or people you are helping may not remember what you said, they may not remember what you did, but they will always remember how you made them feel.

From the President

The Valley Loves it's Coffee

Yes, I'm talking about Phoenix and it's sister cities. Ranked ninth in nation, it's easy to say Phoenicians love their coffee. Now it's easy when the #1 coffee maker has locations thru out metropolitan Phoenix. Yes, I'm talking about Starbucks Coffee. The great logo and choices of coffee, coffee lovers keep coming back every day. Sometimes two and three times in one day to enjoy that great taste and it's many choices.

Let me tell you a little about this wonderful company. There is a character in the classic book named Starbuck Captain Ahab's first mate and no-nonsense crew member of the Pequod. In the book, he's known for his quite nature and moral goodness. Now unlike the name after him, he is not the type to indulge. In an online study guide, Moby Dick even joked, "If Starbucks were Starbuck, you would get a tall coffee with 2% milk." According to the company website, the Co-Founders Gordon Bowker, Jerry Baldwin, and Zev Siegl chose the name Starbucks because it evokes "the romance of the high Seas and the sea faring tradition of the early coffee traders.

The next time you are sitting in a Starbucks Coffee drinking the Latte or Mocha, think about what it means to be part of the Starbucks Family.

Young and in Charge

Sir Barbershop New Owner

It was Monday morning at 10:00am when I walked through the doors of SIR Barbershop in Ahwatukee. I was greeted by the owner Bryan as he was working on his client Joey (shown in the picture in the chair getting his hair cut). After saying hello to Bryan and telling him I was there to take pictures and interview him, I turned to his client Joey in the chair and asked him what he liked about Sir Barbershop? Joey responded by saying, "I come back for the personalization and quality work I receive". As I put down my brief case and took out my camera to start taking pictures of the business (inside and out) Carlos was working on his client Steve who was getting a hair cut as well. As I continued to take pictures inside the business, I noticed a pool table set up for clients who would come in and wait for their time to get in the seat. Closest to the pool table was Jesse cutting his client Diego's hair. This group of professional Barber's are truly the best. As I was taking pictures, I couldn't help but see the interaction Bryan, Carson, and Jesse were having with their clients. That level of professionalism would only be contributed to the character of the owner, Bryan. This upscale Barber Shop in Ahwatukee is really the place to go for your Barber needs. You can get a

Regular Cut, Buzz Cut, Fade, Shave, Beard trimmed and more. Appointments are strongly suggested, but walk ins are welcome. And if you have to wait a few minutes, there is a beautiful pool table, you can pass the time by playing a game of pool. Now let me tell you something about the owner Bryan who makes all this happen.

Bryan was born and raised in Arizona. When he graduated from High School, he attended one year at Grand Canyon University studying Engineering before focusing on his family business. He is the product of a family of Barbers. It's in his blood and he wanted to do it. Once this business gets more established (adding four more chairs which when fully staffed would bring the businesses up to ten barbers) he is expanding to other locations in the valley. This young man has an eye for business. The next time you need a hair cut, shave, or your beard trimmed, go see Bryan, Carlos, or Jesse, they will take great care of you.

So Ahwatukee, Chandler, and Gilbert what are you waiting for, go see the barbers at SIR Barbershop.

Serving the best coffee for over seven years, made from the best beans from Chicago and using the best brand, Intelligentsia can only add up to one thing. WHEREUBEAN has the best coffee. When I asked Ayesha where did she learn this information and skills set from, she said, "I've been baking for my kids and family for years. I fell in love with doing it. That love for baking and making coffee has led me to this quote, "Great coffee is not the result of chance".

WHEREUBEAN Coffee also serves all kinds of tea blends. Lose tea freshly brewed for you. If you don't to get buzz with your tea, they have teas that will keep you straight. WHEREUBEAN Coffee is also in accordance with the CDC Guide Lines. They observe social

The Man and His Business

After giving five years of his life to the United States Navy (Thank you for your service Sir) as a small boat and crane operator, Kirk Kirkpatrick had ideas of his own. After leaving the Navy, he went to work for AAMCO Transmission as their Senior Operations Manager. When Kirk was asked why the automotive field? He replied, "It was my military training". Kirk went on to log some serious hours at AAMCO Transmissions that adds up to over 34 years in the automotive business. Six of those years include owning his own AAMCO Transmission Business right here in Chandler, Arizona. Kirk chose Chandler because the previous owner was selling and the opportunity presented itself to him. Kirk purchased the business and turned it into one of the best Transmission Shops in Metropolitan Phoenix. Phillis Schlafly once said, "location is the key to most businesses and the entrepreneurs typically build their reputation at a particular spot." And the Great Tim Russert of Meet the Press would say during election time for candidates to win it was "location, location, location or Florida, Florida, Florida". Kirk Kirkpatrick knows that, and with his business located right at the end of Chandler next to Ahwatukee and down the street

from Gilbert, he picked the right spot. So, when your car, your neighbors car, a family members car or a friends car is ready for service, take your car to Kirk, he will get you back on the road. He's at Double AA Beep Beep MCO in Chandler. Payment plans are available.

Rosati's Pizza

Keeping it Real Since 1964

Matt is the owner of Rosati's Pizza in Ahwatukee and more to come throughout the valley in the next few years. Matt and his wife have owned and operated several Rosati's Pizza Businesses between Phoenix and Wisconsin for the past 41 years. He is no stranger to making the best pizza money can buy. After talking to Matt and his Wife, I can understand why Rosati's pizza surpassed the previous No. 1 pizza business in the Nation.

Here are some of the things that sets Matt apart from other pizza owners. Matt gives First Responders and Police 50% off their orders everyday, 7 days a week. Matt has also put together a Outreach program for Firemen, Police, and Hotel Workers. Here is how it works, if a person cancels his or her order, or if there is an item left off the pizza, Matt will donate that pizza to one of the business listed above. Matt has also implemented the Rosati's Gold Coin Promotion. When a person from the Hotel refers a buying customer to Rosati's, they receive a Rosati's Gold Colored Coin. When they have saved 10 coins, they get \$20.00 worth of food. Matt also gives a Senior Discount. So Phoenix if you want to experience

what 41 years of making the nation's best pizza taste like, stop in today and order your pizza from Rosati's. Take it home for family night, enjoy it with friends and family while watching a sporting event. You will find yourself more on the couch and chair than in the kitchen.
