## TRIPWIRE Product Overview

| Part Number | Product Name                                            | Description                                                                                                               | Specifications                                                                                                      |
|-------------|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| 1100-IREAI  | <b>Ranger IR</b> wireless camera <b>with</b> Edge AI    | Wireless Dual lens IR camera w/ Edge AI built in.<br>AES 256 encryption                                                   | (H x W x D) 4" x 3-1/2" x 1-1/2"<br>Edge AI<br>Infrared (940nm)<br>AES256 Encryption                                |
| 1100-IRNE   | <b>Ranger IR</b> wireless camera <b>w/o</b> Edge AI     | Wireless Dual lens IR camera w/o Edge AI (can be upgraded in the field)<br>AES 256 encryption                             | (H x W x D) 4" x 3-1/2" x 1-1/2"<br>Infrared (940nm)<br>AES256 Encryption                                           |
| 1100-CELL   | <b>Ranger IR</b> Cellular with Edge AI                  | Cellular Dual Lens IR camera with cellular. AES256 Encryption. Can operate as standalone or part of the Tripwire network  | (H x W x D) 4" x 3-1/2" x 1-1/2"<br>Edge AI<br>Infrared (940nm)<br>Cellular<br>AES256 Encryption                    |
| 1100-FLIR   | <b>Ranger Thermal FLIR</b> Camera With Edge AI          | Wireless Forward Looking Thermal camera w/ Edge AI<br>AES 256 encryption                                                  | (H x W x D) 4" x 3-1/2" x 1-1/2"<br>Edge AI<br>Thermal (lepton)<br>AES256 Encryption                                |
| 1100-LWIR   | <b>Ranger Thermal LWIR</b> Wireless Camera with Edge AI | Wireless Long Wave Infrared Thermal Camera Boson                                                                          | (H x W x D) 4" x 3-1/2" x 1-1/2"<br>Edge AI<br>Thermal (Boson)<br>AES256 Encryption                                 |
| 1100-TRICAM | <b>Ranger Tri-Cam</b> Color/Infrared/Thermal all in one | Wireless Tri-Cam is 3 camera in one. Color daytime, Infrared and Thermal. Overlays and Edge AI                            | (H x W x D) 5" x 4" x 1-1/2"<br>Edge AI<br>Infrared (940nm)<br>Thermal (lepton)<br>AES256 Encryption                |
| 1100-BASE   | <b>All In One Base (AIO)</b>                            | AIO Tripwire Base - All In One Standard Base. No computer required. Add-on features available (Starlink, Cellular, WiFi,) | (H x W x D) 10" x 10 x 6"<br>YOLO AI Built in Wi-Fi Bluetooth<br>Direct Ethernet/Starlink port<br>AES256 Encryption |
