

TPRA Board of Directors meeting by email October 26-28, 2011

Subject: Request for additional \$2,000.00 for road grading.

On October 26, 2011, Ray Lyons emailed the Board requesting an additional \$2,000.00 for road grading. The reason stated for the amount, in addition to the \$10,000.00 previously approved, is that Ray put better tires on the grader, which used \$2,000.00 out of the \$10,000.00 that he had not anticipated. With additional \$2,000.00 the association will get an additional 23.5 hours of grader time.

The request was approved by Dennis Kist, Lynn Lafleur-Dragonfly, and Rusty Evans. Eric Witzak approved verbally.

Submitted,

Dennis Kist

President
