THE ARCHIVIO KOUNELLIS protects and promotes the work created by Jannis Kounellis from an artistic, scientific, cultural, intellectual point of view and issues certificates of authenticity of the works of Jannis Kounellis.

RULES AND PROCEDURES FOR THE AUTHENTICATION OF WORKS BY JANNIS KOUNELLIS

RULES

- The registration and authentication provided by the ARCHIVIO KOUNELLIS on a work of art will take place exclusively following the observation and direct evaluation, of the work, by the Scientific Committee of the Archive and not on the basis of the only documentation received.
- By signing the Inquiry for Expertise, the applicant expressly declares:
 - to have read and to approve the rules and procedures for the authentication of the works;
 - to accept the opinion that will be expressed by the Scientific Committee of the Archivio Kounellis ;
 - to bear the costs of transport, delivery and insurance (*from nail to nail*) of the work subjected to evaluation, which will be exclusively borne by the applicant;
 - to indemnify the Archivio Kounellis from any liability and custody obligations for any subtraction, theft or damage, or whatever happens to the work delivered for the entire period of stay at the headquarters of the Archivio Kounellis. To this end, the applicant agrees to take out insurance for all the occurrences mentioned.
- By signing the Inquiry for Expertise, the applicant undertake not to contest in any form and manner the decisions taken by the Scientific Committee on the authenticity and attributability of the work of Jannis Kounellis.

- The work to be evaluated, must reach the headquarters of the Archivio Kounellis before the Scientific Committee meets (the dates of the meetings and the dates for the delivery of the work, will be communicated on this website in advance).
- Works on paper must be sent unframed, otherwise they won't be accepted.
- **Duplicates of certificates of authenticity are not issued.**
- The complete documentation* (written informations and/or documents regarding the history of the work and its acquisition) **must be sent in original.** *In the event of documentation deemed insufficient or non-original, the Scientific Committee reserves the right to interrupt the investigation of the authentication by postponing the conclusions to a subsequent session upon receipt of the appropriate documentation.
- Collection of response will be delivered *by hand* upon return of the work, or on request, *by registered mail or courier* (by signing an indemnity letter).
