Taylor Protocols

Take a revolutionary assessment that bypasses personality and behavior, revealing your unchanging motivational drivers and sense for how you are wired to contribute to the world around you.

How We Self-Sabotage

Positive Intelligence

Saboteurs are the voices in your head that generate negative emotions in the way you handle life's everyday challenges. They represent automated patterns in your mind for how to think, feel, and respond.

Love Language

5 Love Languages

Discover your primary love language, what it means, and how you can use it to better connect with your loved ones.
