## MINNEAPOLIS, MINNESOTA

### △ FULL BAND NAME △

Slime Monsters from Outer Space

### △ BIO / ORIGIN STORY △

**Slime Monsters from Outer Space** is a cosmic punk experiment for mutants, weirdos, and interstellar travelers from all dimensions. We melt noise, sludge, post-punk, and space rock into primordial ooze—fueled by chaos, inclusivity, and an anti-corporate ethos.

Location:	Minneapolis, MN
Genres:	Cosmic punk, sludge, space rock, noise
Active Since:	2024

<b>Booking Contact:</b>	Jay Williamson (they/them), manager – <a href="mailto:slimethepunkband@gmail.com">slimethepunkband@gmail.com</a> – 612.597.6194
<b>Socials:</b>	<a href="#">Instagram</a> / <a href="#">Bandcamp</a> / <a href="#">Spotify</a> / <a href="#">YouTube</a> / <a href="#">Linktree</a>

## △ MISCELLANEOUS SLIME △

### “Describe Your Fans”

—Our fans are all ~~freakazoid~~ mutants from Dimension X, and they’re everywhere.

### “What Does ‘we are all slime’ Mean To You?”

—To us, “we are all slime” means that distinctions like gender, race, and religion are illusions—designed to make us forget that we’re all part of the same fabric of existence. △
