

Code of Conduct for Children and or Young People

Code of conduct

<i>Introduction</i>	<p>In this code of conduct we set out what the acceptable standards of behaviour are for the children who attend our organisation. We want all children to feel safe and secure while attending our organisation. When children attend our organisation for the first time, we share our code of conduct with them. How we share this it will depend on the age of the child or young person and their level of understanding. Each year when we review this code of conduct, we will do this in partnership with the children and young people we work with to get their input.</p> <p>Smoking, Vaping, taking illegal drugs or the consumption of alcohol on the organisations premises.
