

Beauty, Lash's & Brows

Lash's

Classic Lash – 30 A timeless lash extension style that enhances natural beauty with a soft, elegant look. Each lash is applied individually to create subtle length and definition, perfect for everyday wear.

Hybrid Lash – 35 A blend of classic and volume techniques that delivers a fuller, textured appearance. Ideal for those seeking a balance between natural and dramatic lashes.

Volume Lash – 38 A bold, glamorous lash style featuring multiple lightweight extensions per natural lash. Designed to create maximum fullness and depth for a striking, high-impact look.

Lash Lift and Tint – 30 A semi-permanent treatment that curls and darkens natural lashes, giving the illusion of longer, thicker lashes without extensions. Perfect for a low-maintenance beauty routine.

Removal – 10 A gentle and safe process to remove lash extensions without damaging natural lashes. Recommended for those transitioning between styles or taking a break from extensions.

Brow Services

Professional brow treatments designed to shape, define, and enhance natural brows for a polished, balanced look.

Brow Wax – 8 A precise waxing service that removes unwanted hair and defines the natural brow shape for a clean, refined finish.

Brow Tint – 8 A semi-permanent dye treatment that enhances the colour and depth of brows, creating a fuller and more defined appearance.

Brow Wax and Tint – 15 A combination service that shapes and tints brows for a complete, long-lasting enhancement that frames the face beautifully.

Brow Lamination – 30 A smoothing treatment that sets brow hairs in place, creating a fuller, lifted, and more uniform look that lasts for weeks.

Brow Shape – 5 A quick shaping service that tidies and defines brows using tweezing or trimming for a natural, well-groomed result.

Beauty

A selection of treatments designed to refresh, rejuvenate, and enhance natural features for a radiant, confident appearance.

Basic Facial – 25 A relaxing skincare treatment that deeply cleanses, exfoliates, and hydrates the skin, leaving it soft, smooth, and refreshed.

Derma Facial – 35 An advanced facial that targets deeper layers of the skin to promote cell renewal, improve texture, and enhance overall complexion.

Spray Tan – 20 A professional tanning service that delivers a natural-looking, streak-free glow customized to suit any skin tone.
