

Nail Services

A collection of professional nail treatments designed to enhance the appearance, strength, and health of nails. Each service is performed with precision and care, using high-quality products to ensure long-lasting results and a flawless finish.

Acrylic Plain Set – 32

A classic acrylic nail application that provides durable, long-lasting extensions with a smooth, natural finish. Ideal for those seeking added length and strength without additional colour or design.

Acrylic Gel Polish – 37

A combination of strong acrylic extensions topped with a glossy gel polish finish. This service offers both durability and vibrant colour that resists chipping and maintains shine for weeks.

Builder with Gel Polish – 28

A strengthening treatment using builder gel to reinforce natural nails, finished with a gel polish of choice. Perfect for clients who prefer a natural look with added resilience and a sleek, polished appearance.

Gel Mani – 25

A professional gel manicure that includes nail shaping, cuticle care, and the application of long-lasting gel polish. Provides a chip-free, glossy finish that stays flawless for up to two weeks.

Gel Pedi – 35

A relaxing pedicure featuring nail shaping, cuticle care, exfoliation, and gel polish application. Delivers smooth, refreshed feet and a durable, high-shine finish on toenails.

Nail Art – 1 per nail

Custom decorative designs applied to nails using various techniques such as hand painting, foils, or embellishments. Each nail becomes a unique piece of art, tailored to individual style preferences.

Removal – 10

A gentle and safe process for removing acrylic, gel, or builder products without damaging the natural nails. Includes nail buffing and conditioning to restore nail health and prepare for the next service.
