

**2021  
XCP  
HOMECOMING  
STUDENT DRESS  
REQUIREMENTS**

## SO WHAT'S GENERALLY APPROPRIATE?

- ❖ Dresses that are no more than **THREE inches** from the top of the kneecap!
- ❖ Modest necklines- NO cleavage!

  
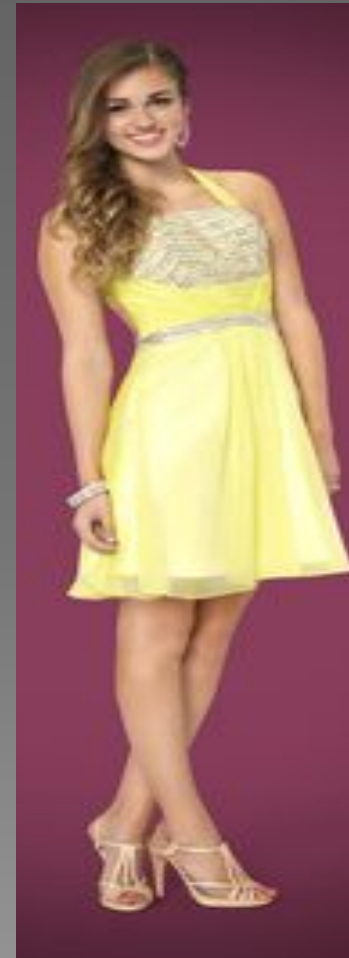

**GREAT  
CHOICES!**

There are many  
dresses out there  
that comply with  
XCP's dress  
guidelines!

MORE GREAT CHOICES!

# Necklines:

- ❖ Be modest please!
- ❖ No plunging necklines!
- ❖ No cleavage showing!

These are great!

These are  
**NOT**  
appropriate!

# Heads up on Hi-Lows:

Good  
Choices:

❖ The front skirt has to come down to **THREE** inches from the top of the kneecap, just like all other dresses! The chiffon over-layer does not count! What is underneath the chiffon or other over-layer is what will be measured for length.

And now, for  
some not so  
good  
choices...

**DO NOT**  
buy this  
style of  
dress!

## BANDAGE/ TUBE DRESSES

- ❖ There is a difference between fitted and skin tight! The hem of the fitted dress will stay where it is, even when walking and dancing!
- ❖ The elasticized/tube dresses ride up after any movement! Please DO NOT wear these dresses. They may be the correct length when you put it on, but the first step you take causes this style of dress to inch up your legs.

## TWO-PIECE DRESSES

If you are in doubt,  
take a picture of  
yourself in the dress and  
bring it in to be  
approved **BEFORE**  
purchasing it. Save  
yourself the trouble of  
shopping twice!

**Definitely  
NOT!**

❖ No high  
slits on your  
dresses!

**Too  
Low!**

Be careful of  
low-cut  
backs!

❖ Side cut-  
outs  
CANNOT  
wrap to the  
front of the  
dress- this  
dress is not  
appropriate

Brophy/Xavier does have a dress code for Homecoming in the hopes of helping distinguish it from other dances and we will expect you to adhere to it. That being said, feel free to get creative within that dress code. We encourage you to be creative and enjoy the “theme” to be announced soon!

Modesty does not mean that you have to be boring or ugly in the way you present yourself, it means that you understand the value of your body and you want to protect your dignity. It's also not reserved solely for the way you dress... modesty should also be practiced in the way you speak, act, and dance as well. It is an overall lifestyle that affects every aspect of how you live.
