

SPRING 2-7-15

We've had wonderful celebrations, sad losses and have events coming up. We have some catching up to do.

Today we celebrated the life of our dear friend Leslie Harris who sadly lost her battle with cancer at the end of April. We will miss her indomitable spirit, her wit, humor, her many contributions to the community and most of all the company of our good friend.

Ron's meditation class continues 8:30 am on Mondays at Hacienda del Encanto.

Our study group of Elliott Dacher's *Awake Awake Alive* has six more Tuesdays at 2:00pm. If you weren't able to participate this time, we're doing it again! Even though we will start again from the beginning, with many having already read the book and participated in discussions, it is highly recommended that you read it beforehand. The new group will start the second week of July so you have plenty of time to [get the book](#) if you're interested in joining us. **And...please email Nadine if you are interested in participating along with your preference for Tuesday, Wednesday, or Thursday afternoons.**

We're fully into Spring now—it's practically Summer. Passover and Easter are distant memories, but here are a few photos to remind you what fun we had!

Don't forget...Not Church May 10th. Hope to see you.
