

Catthorpe Village Funding Request Form

Requester Name:	Corner Planting
Please describe the Proposal that you require funding for? Please include any dates <i>Example: replacement notice board outside of the Church</i>	Funding is requested to purchase plants and bulbs to be added to the allotment corner on Main Street. The beautification and weed prevention is to accompany the new fencing erected by the village.
Please outline how this Proposal benefit the Village?	Planting would be performed in such a way to achieve the following objectives: 1. Retain good visibility for vehicles and pedestrians. 2. Add colour and interest to the corner. 3. Provide a small amount of privacy to the allotments.
Please provide a breakdown of costs. (Be as specific as possible and include any quotes that you have received). Will the project involve any costs in the future (like maintenance)? For spend over £500, can you provide a second quote?	Planting costs circa £900 but with a request to go to £1000 depending upon what can be purchased in various sales: Planting scheme would include: • Spring bulbs (narcissus, snowdrops, crocus) or equivalent • Lavender / Rosemary or equivalent • Heathers • 2 larger plants for the two ends of the fence – Daphne / California lilac or equivalent. Ongoing maintenance would be done by the village gardening group to deadhead where required.

How can we fundraise for this Proposal, how can we share the costs (besides Village funds?) Example: we will raise funds through a bake sale	Request money from the windfarm as this is for the betterment of the village.
How will you involve Villagers in the proposal?	Volunteers to help with planting will be required.
How will Villagers be informed of the Proposal and any updates on progress?	A message will be sent out via the What'sApp village group for volunteers to help plant. The gardening group will purchase and arrange delivery of said plants.
Anything else to add to support the application for funding?:	An indicative outline plan has been created. The aim is for low, height, low maintenance plants.
