

Catthorpe Village Funding Request Form

Requester Name: David Penny	Event or Project name (the Proposal): Allotment sustainable water collection scheme
Please describe the Proposal that you require funding for? Please include any dates <i>Example: replacement notice board outside of the Church</i>	There are currently two IBC water tanks on the allotment that currently rely on the goodwill of neighbouring properties to fill. This project will offer a sustainable and free fill/top up for the tanks and hopefully offer a good supply of water when needed. I have estimated (from on-line data) that the average rainfall in our area will provide 3,000 litres (3 refills) per tank per year from the 4 sq m roof. Hopefully, this project can be completed ready for Spring 26.
Please outline how this Proposal benefit the Village?	Hopefully, it will encourage allotment holders to make use of their plots knowing there is a water supply available, whereas over 50% of plots are presently growing weeds and thistles etc. This will present a much-improved outlook for the villagers, because, at the moment it looks like derelict land.
Please provide a breakdown of costs. (Be as specific as possible and include any quotes that you have received). Will the project involve any costs in the future (like maintenance)? For spend over £500, can you provide a second quote?	3 off Onduline Duro SX 35 Intense Anthracite Grey Bitumen Corrugated Roof Sheet - 820 x 2000 x 3.5mm. How can we fundraise for this Proposal, how can we share the costs (besides Village funds?) Example: we will raise funds through a bake sale	

How will you involve Villagers in the proposal?	
How will Villagers be informed of progress?	When constructed I will post on the village website/Facebook page
Anything else to add to support the application for funding?:	This proposal is in response to requests for projects that could be funded from wind farm income as I understand some of this will be lost if not used. With regards to on-going maintenance, I can only say that I will keep an eye on them whilst I still have an allotment and I will ask the Gogs to bear it in mind for the future.

Total cost: £444.50
