STANDARDS AND CONDITIONS

The Vendor above, and each individual employee or volunteer thereof, agrees to abide by these Standards and Conditions as published by Mid-Michigan Renaissance Festival (MMRF), as published here and at later times in later documents, and acknowledges that a violation thereof may void any contract with MMRF. In signing this application, the Vendor grants MMRF the right to use for all promotional, educational, and other purposes to promote the Festival, any photo, video, or other reproductions of any image in which they may appear.

This application does not guarantee the acceptance of any Vendor to participate in the Festival, but if accepted, this application is also the contract. Any Vendor, or individual employee or volunteer thereof, who does not comply with these rules may be removed from the site and barred from future participation. All decisions of MMRF, its Owner, and any agents acting on their behalf are final. All rules and regulations are subject to change with or without prior notice.

Cancellation of participation by Vendor

- If the Vendor chooses to withdraw from their participation in the event after their application has been accepted, the Vendor will be charged a $50 cancellation fee. All remaining funds paid to the festival will be refunded to the Vendor.
- If the Vendor chooses to withdraw from their participation in the event after their application has been accepted and it is two weeks or less before the event opens, no money will be refunded.

General Information

- The festival will be held rain or shine for the dates and times listed on this form. MMRF reserves the right to close early if an Act of God, nature, war, riot, epidemic, strike, an act or order of public authority, on-site mechanical difficulties (e.g., power failure) or other legitimate causes beyond the control of MMRF create conditions considered dangerous, with no refund of vendor fees or reimbursement of expenses.
- Vendors are required to be at the MMRF site each day they are contracted to be there, for the entire day. Signer of these documents must be in physical attendance with their booth for the event. If the Vendor is absent without notification, MMRF reserves the right to void the contract and will not be held liable for fees nor issue refund of paid Vendor fees.
- **Vendors are prohibited from using/consuming/smoking any non-medically necessary drugs (legal – such as marijuana in any form – or illegal) or alcoholic beverages before or during festival hours**.
- MMRF has zero tolerance for the illegal use of federally controlled substances; such use will be referred to local law enforcement.
- Use of tobacco or vaping products is prohibited on/in the stages, booths, or lanes and is restricted to designated areas outside the line of sight of patrons. Individuals under the legal age permitted for the use of tobacco or alcohol are always prohibited from the use of those products.
- Vendor using generators must have a minimum of two (2) fire extinguishers within the rented site. Generators must be in good working order and kept out of sight of the public. In order to maximize the enjoyment of our patrons, the use of fully electric power sources/batteries is preferred. If a standard generator is to be used, it must have some form of sound insulation to minimize or eliminate any sounds that can be heard by our patrons.
- Vendors are encouraged to join the festival's daily parade at 1:50pm.

Set up/Tear down

- Booth spaces will be made ready for vendor use by MMRF prior to the season opening. Vendors are required to clean up in and around their booth or building at the end of each day (this includes both trash and fallen leaves) and at the end of the season. A cleaning fee will be assessed against violators.
- Vendors are responsible for having their booth Patron-ready by 10:30AM each festival day. **No motor vehicles will be permitted to drive onto the lanes after 9:45AM and all motor vehicles are to be cleared from the lanes no later than 10:00AM.** Due to the narrow lanes, Vendors will need to unload and remove their vehicles from the lanes before setting up their booth space.
- Depending on time, weather, road conditions, and other considerations the lanes may be impassable for motor vehicles. Vendors are encouraged to bring a hand cart or other human powered vehicle for transporting wares and/or trash to and from booth.

Camping and Parking

- Due to an official notification from the Tuscola County Health Department, the camping area of the Enchanted Forest is now required to be treated (and thus inspected and licensed) as an actual (temporary) campground and must follow all county and state regulations relating to campgrounds.
- See the enclosed map for locations of parking and camping for festival workers.
- Be aware that the parking field can flood after heavy/persistent rains. In the event of a wet field, park in the designated back-up/overflow parking area and obey all stakes and warning indicators. If your vehicle gets stuck in the mud, you will be responsible for paying a towing company to free it. The Festival is not liable for the condition of the parking/camping areas nor for your failure to adjust to weather/environmental conditions.
- Only registered festival participants in possession of a Festival ID will be permitted to camp. No outside visitors are permitted in the camping site.
- Upon arriving to set up your camp site, you must register with the Camping Site Manager. Upon doing so, you will receive your camping permit with your assigned camp site number. The permit must be displayed/readily available within your site at all times.
- Camping site is limited in capacity (24 sites) and rustic. Unless the use of a medical device is required, electricity will not be available to those who are tent camping. Those camping in RVs/campers and needing electricity are assigned electric camping slots on a first-come, first-served basis. Minimum of 12-gauge outdoor-rated extension cords are required to connect to festival electricity.
- Festival electricity is a 20 amp system that is limited in capacity. No air conditioners of any kind are allowed. No refrigerators larger than 1.7 cu ft (dorm-size cube mini-fridge) are allowed. No charging of electric vehicles is allowed.
- Campers are allowed to bring their own sources of electricity for their campsites. Note that no gas-powered generators are allowed – only portable power stations (batteries) are to be used.
- Assigned camping sites have been assigned that way for a reason. (Festival management has taken into account the needs of all campers and has assigned camping slots that best balance all indicated needs.) Participants are NOT allowed to make changes to their camping location or electric outlet assignments without express permission from festival management.
- All campers are responsible for the care and maintenance of their campsite and for taking all their trash to the dumpster located outside of the festival grounds.
- No ground-level fires are permitted - fires must be contained within a raised fire pit. The use of fireworks, fire-based props, or toys is not permitted in the camping area. If you are going to be using a fire pit, you must have a fire extinguisher available.
- Quiet hours are from 10pm to 6am. Please limit light and noise (including generators) during this time.
- No ceremonies, rituals, etc. are to be performed on site or in the camping areas without the express written permission of the Owner.
