

2026 Summer Class Descriptions

Class Name	Description
Drones	Students will be immersed in a half-day course learning the ins and outs of basic drone operations. Students will have the opportunity to fly a drone in a supervised group setting. All equipment will be provided.
Aerial Photography	Students will use the skills learned in the Drones Class to learn aerial photography skills. Students will fly the drone and take a photo in a supervised group setting. Photos will be printed for the student to take home. All equipment will be provided.
Mountain Biking	Come bike with us in the majestic Ophir Canyon. Basic mountain biking skills as well as care and maintenance will be taught. Students will have the opportunity to ride through the canyon. Mountain bikes and helmets are provided for use. You may want to bring a pair of gloves.
Archery	Want to be like a modern-day Robinhood? Join us for a fun filled archery class. Students will learn the basics of archery and learn discipline, focus, and concentration. Archery and safety equipment will be provided.
Hawkwatch	Enjoy a fascinating class learning about raptors and large bird conservation. Students will get an in person exeperience with a Bald Eagle, Hawks, and other large birds.
Digital Animation	Have you ever wondered how movies get made and would like to learn more about this creative activity? Come and learn the basics of stop motion animation while you create your own short films on iPads. All supplies and equipment provided.
Rock Climbing	If you are up for a physically challenging adventure, this beginning rock climbing class is the perfect opportunity for you! This class provides a new lifetime activity opportunity to grow and develop mountain scaling skills while enjoying the beautiful Ophir Canyon. All safety equipment and supplies will be provided.
Water Color	Watercolor painting is fun when you are outdoors. Come and learn the basics of watercolor and paint something in nature. All supplies will be provided.
Leatherworking	Come and learn how to work with leather to create a nice belt, knife sheath, coin pouch, or other piece of leather work. Students in this class will complete a nice leather project to take home. All supplies will be provided.
