Welcome to the Fieldbrook Market & Eatery's buying club.

You will now have access to our primary distributor's (UNFI) catalog, giving you the ability to browse the merchandise, see and compare prices and order anything you see. By being part of our buying club you can save up to 30% on your purchases.

This program assists in purchasing in bulk, saving money and at times less waste/footprint should you purchase bulk items.

Once you return this completed form you will receive an email with the information and website to log in within 5 days.

You do not order from the website. You will complete a separate form that you return to the Fieldbrook Market & Eatery to order.

Please feel free to contact the Fieldbrook Market & Eatery at (707) 633-6097 or via email [Fieldbrookmarket@gmail.com](mailto:Fieldbrookmarket@gmail.com) with any questions.

Thank you,

Kelli Costa
