## PRESS RELEASE

### **Niche Ninety Nine Capability and Certifications (OPC) Pvt Ltd (Niche99 ESG Ratings) Releases ESG Rating for Nestle India Limited.**

Thane, India – 08 May 2026 – [Niche99 ESG Ratings](#) has released the ESG+C Rating Nestle India Limited, following an independent assessment of the organization’s Environmental, Social, Governance, and Commitment performance.

The assessment was conducted using Niche99’s ESG+C framework, which evaluates organizations on multiple parameters including sustainability indicators, including environmental stewardship, social responsibility, governance practices, and organizational commitment toward sustainable value creation.

Based on the assessment, Nestle India Limited has been assigned an ESG Rating of 55.41 [**Performer**] and ESG+C Rating of 57.64 [**Medium Risk, Good Sustainability Practices**].

Capt Tapas Majumdar, MD & CEO of Niche99 ESG Ratings, reiterated that “ESG assessments are increasingly important for investors, lenders, customers, and other stakeholders seeking transparency and responsible business conduct. Our ESG+C framework aims to provide balanced, research-driven, and stakeholder-centric Decision Grade ESG intelligence.”

The detailed ESG+C assessment report is available to subscribers and authorized stakeholders through Niche99 ESG Ratings.

#### **About [Niche99 ESG Ratings](#)**

Niche99 ESG Ratings is an independent ESG intelligence and ratings organization focused on delivering transparent, research-driven, and stakeholder-centric sustainability assessments. Through its ESG+C framework, Niche99 evaluates organizations on Environmental, Social, Governance, and Commitment parameters to support informed decision-making and sustainable value creation.
