

Graham-Kapowsin Booster Club

Supporting Students - Partnering with Staff - Fueling
Programs

Who We Are

Since 2008, the Graham-Kapowsin Booster Club has been an integral part of the Eagle community. We are a 501(c)(3) nonprofit organization composed of parents, guardians, alumni, and community members dedicated to supporting academics, arts, activities, and athletics.

Our mission is to provide financial support, recruit volunteers, and foster community engagement so that programs across GKHS can thrive, while allowing staff to focus on their core responsibilities.

Why Join The Booster Club

- Direct Support for Your Student – Booster funds go straight into their program for equipment, travel, clinics, and awards.
- Better Experiences – Your involvement helps create safer, richer, and more meaningful opportunities for all students.
- Parent Community – Connect with other families, stay informed, and be part of a supportive network.
- Flexible Time Commitment – Even simply showing up to meetings when you can helps strengthen and support every program.

Booster Club + ASB: Collaborative Partners

ASB supports school-wide activities like assemblies, dances, and general student needs. The Booster Club focuses on specific programs, helping fund and enhance individual student experiences. Together, they provide both broad and targeted support for GKHS students.
