

REVENGE IS A DISH BEST SERVED...

Do not gloat when your enemy falls. Don't let your heart rejoice—lest the Lord see—and disapprove.

Proverbs 24:17

Take a moment to re-read the above verse from Proverbs. So much for those snarky comments about the Old Testament being all about vengeance.

In the headline the adage about REVENGE with three dots. How would you complete that statement? Of course, the common ending is '**Revenge is a dish best served COLD.**' This common idiom simply means let

your hot anger simmer over time. And the misfortune of your adversary will give you a great sense of satisfaction.

For the believer, the best way when it comes to revenge is not to dish it out in the first place!

The next two weeks we will be winding down our series on **CHRISTIANITY 101** in Romans 12 using the last seven verses which begin ‘...bless those who curse you.’

This Sunday and next the titles will be the same: **HOW’S YOUR SCHADENFREUDE?** If you don’t know the meaning of that word google it. Or better still, join us in worship this Lord’s day.

Here’s a hint: Schadenfreude is the exact opposite of the spirit of Romans 12:14-21. In so many ways.

It’s great to be back and I just can’t wait to be with the BRPC family again this Sunday!
