

SISSEL & EBERT MOVE OVER... IT'S MOVIE TIME!

O Lord, will you not revive us again, that your
people may rejoice in you?
Psalm 85:6

It's not my usual practice of devoting the Friday Eblast in encouraging our flock to rush to a local theater.

But in this case...an exception.

Decompressing a bit after such an energetic Easter Sunday, Kathi and I took in a Monday matinee of the newly released: **A GREAT AWAKENING.**

In short, it is the riveting story about the improbable, but genuine odd-couple friendship of **Benjamin Franklin and George Whitefield**.

Spoiler alert: The name George Whitefield should be in the head of every committed believer much the same way Ben Franklin is to every Philly native who bleeds green. **(Go Eagles!)**

Historians of Colonial America have described the Reverend George Whitefield as the first truly AMERICAN ROCK STAR. He was key to a movement called THE FIRST GREAT AWAKENING which preceded 1776.

George Whitefield preached to millions during his lifetime, led hundreds of thousands to saving faith in Christ, while regularly preaching to crowds of 5000+ minus sound amplification! Click here:

A GREAT AWAKENING is not the typical 'Christian' movie leaving you with the predictable saccharine aftertaste of its Hallmark cousin. This is a dramatization of a real story, told with warts and all--*and there were many*--causing those in attendance, including myself, to leave the theater inspired...and in silence.

Hope to see you this Sunday as we journey through **Eastertide**. Details for the service and preaching series can be downloaded in the bulletin below.
