FCI Godown Land Requirement

CROP LAND TRADE invites landowners to offer suitable land parcels for development of an FCI (Food Corporation of India) godown, subject to the following mandatory conditions:

Road Accessibility:

The land must have direct frontage on a minimum 18-foot wide motorable road, ensuring smooth movement of heavy vehicles and logistics operations.

Location Criteria:

The site should be located at least 600 meters away from sensitive and restricted areas such as schools, colleges, residential villages, petrol pumps, and similar establishments, maintaining compliance with safety and operational guidelines.

Clear Site Conditions:

The land must be free from any high-tension electricity lines or transmission infrastructure, ensuring safe construction and uninterrupted warehousing operations.

Ownership Eligibility:

The landowner must be an Indian resident (Non-NRI) with clear and undisputed ownership, along with complete legal documentation.

Note:

All proposals will be subject to verification, due diligence, and applicable terms and conditions as per project and regulatory requirements.

For submissions and inquiries, please contact CROP LAND TRADE – your trusted partner in agricultural and commercial land solutions across Punjab.
