

## **PAINT COLOR GUIDELINES**

**Any external changes to a home OR property MUST have prior approval. Change requests MUST be submitted via the External Change Request form found under the Forms tab.**

**Colors shown are by Behr brand however, we recognize that similar shades are available by many manufacturers. If you use a different brand, please ensure it is as close as possible to the APPROVED colors shown.**

**While colors of many homes in our community are ACCEPTABLE, some ARE NOT.**

**ALL paint projects require prior approval UNLESS you are painting the home the same color and you can provide proof of Prior Approval.**

**A color not shown may be submitted for consideration of Approval via the External Change Request form available under the forms tab.**

**All sides of a STUCCO HOME should be the same color (i.e., front, back and both sides).**

**All sides of a BRICK FRONT HOMES should have the same color (i.e., both sides and the back).**

**DOORS AND SHUTTERS should be the same color. Care should be given to ensure that the color of the doors and shutters complements the color of the home.**

**WINDOW TRIM should ALWAYS be White.**
