2000

ProCredit Bank is a development-oriented commercial bank. We offer excellent customer service to small and medium enterprises and to private individuals who have the capacity to save and who prefer to do their banking through electronic channels. In our operations, we adhere to a number of core principles: We value transparency in our communication with our customers, we do not promote consumer lending, we strive to minimize our ecological footprint, and we provide services which are based both on an understanding of each client's situation and on sound financial analysis.

We focus on small and medium-sized enterprises, as we are convinced that these businesses create jobs and make a vital contribution to the economies in which they operate. By offering simple and accessible deposit facilities and online banking services and by investing in financial education, we aim to promote a culture of saving and financial responsibility among business clients as well as private individuals.
