Mazars is a global, integrated and independent organization, specialized in advisory, audit, tax, accountancy and legal services. Our unique integrated partnership spans all five continents and relies in 40400 professionals worldwide.

By combining the scale of our international, multicultural partnership with our deeply-rooted local teams, our clients and people get the best of both worlds: a balanced perspective that is delivered in a personal way.

We operate as one team, taking a collaborative, integrated approach that allows us to deliver consistent and personalized services to our clients – large and small – across all sectors and geographies.
