

# THE CIRCUIT RIDER

November 2022

**Do you ever get a song stuck in your head? I've been singing "Sanctuary" all morning. (Faith says praise God; it's only in his head and not out loud!) Sometimes it can be pretty annoying when this happens to us. If you've ever had the "Barney" song stuck in your head, you know what I mean. Other times it can be a blessing.**

**Since it's there this morning, I thought I'd just roll with it. A sanctuary as defined by Meriam Webster is, a Holy or sacred place, a building or room for religious worship or a place that provides shelter. The words to "Sanctuary" read "Lord prepare me to be a sanctuary, pure and Holy, tried and true". They continue "With thanksgiving, I'll be a living sanctuary for you" Let those words rest on you for a moment and pair them with Exodus 25:8 "Then have them make a sanctuary for me, and I will dwell with them."**

**If we desire that God truly makes us into a sanctuary, it means we desire to be Holy as he is Holy. It means we become a person of worship not just on Sundays, but we literally become a person who worships the goodness and splendor of God, at all times. It also means that others will see us as a place where they can find refuge and rest. And this is God's desire for all of us.**

**That's a lot to take in from such a small and simple song that gets stuck in your head. I pray it gets stuck in yours and I pray you cooperate with the Holy Spirit and truly become a Sanctuary for God.**

**Blessings,**

**Bro. Cecil**

## WASHINGTON PARISH FAIR

The 2022 WPF has come and gone leaving a lot of tired but grateful, volunteers. Many individuals in our church family spent countless hours working to ensure a successful Fair. Our church also participated. A tent and table were set up on the front lawn offering coffee, water, and cookies to those that attended the Fair Flag Raising Ceremony. Also, members manned the Membership Booth on Friday night selling tickets. To all of you who helped our community and church shine bright, Thank you!
