

# 144,000, Firstfruits

144K's sealing is correlational with earth-shaking and earthquakes.

The presentation titled 144k Organizers/Managerial Corps is coming shortly. However, its summary is discussed herein because it flows with the overall thrust of this discussion on the timely value of Yeshua's Managerial Corps.

This presentation shows how the 140 disciples organized harvesting the Ten Tribes of Israel. Yeshua organized his disciples into two sets of 70 disciples and paired them in two. Yeshua sent out the first seventy, followed by the second group; they returned after ten months. In all, 140 disciples are referenced as Yeshua's Organizers Template 70.

The Organizers Template 70, a concept not limited to biblical times, found practical application in the 1960s Civil Rights Movement. The Civil Rights Workers used it to foster VOTING as a fundamental aspect of America's constitutional identity. Voter canvassers, mirroring the biblical pairs, always worked in twos.

Like in the biblical narrative, community members sponsored lunch for these canvassers. The real-world application of the Organizers Template 70 underscores its relevance and effectiveness in community empowerment.

Judah, the organizer, pulled the Ten Tribes into the second seventies after the 1965 Voter Rights Act passed. Both Judah and the Ten Tribes united under the national constitutional identity VOTING. Having gained the political tool of voting, the Congregation is obligated to vote good people into office and on public policies to improve their living conditions and Jacob's tithing-blessings.

- *In that day there shall be an altar of the Lord in the midst of the land of Egypt, and a monument of the Lord at the borders thereof: Isaiah 19:19*
- *It shall be for a sign, and for a testimony to the Lord of hosts in the land of Egypt. For they shall cry to the Lord because of the oppressor, and he shall send them a Saviour and a defender to deliver them. Isaiah 19:20*

### **Explaining the two sets of seventies**

Judah (validated) and the Ten Tribes Cross-validated the Organizers Template 70's authenticity, just as the two sets of 70 disciples organized the Ten Tribes to receive the New Testament Teaching of Jesus from Jesus: validation and cross-validation.

Today, the 144,000 are sealed servants, a divine selection composed of 12,000 from each of the twelve tribes of Israel. They will work under an upgraded Organizers Template 12k, which the Profile Manager has already VALIDATED—the **144k Organizers/Managerial Corps**.

- “Notwithstanding, in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in Heaven.”  
Luke 10:20

While there is much speculation on the 144k's future role, it's important to note that the 1960s and 1970s Civil Rights Workers used the Organizers Template 70 to successfully achieve their desired outcomes, thereby removing any basis of their hypothetical roles.

The Executive Body of Israel in Exile maintains a grounded reality under the **144k Organizers/Managerial Corps**. This reality, known as Judahtocracy, is a system of governance that is guided by the **Organizers Template 12K**, which has replaced Organizers Template 70.

Thus, we walk into the millennium full of confidence, using America as a case study of the powerful principles of **CROSS-VALIDATION AND VALIDATION**, as outlined in **Luke 10:20**

# The 144,000

Imagine a group, the 144K, sealed on the forehead and ready to perform its theocratic tasks. Their journey is about to unfold, and many will witness their supernatural powers.

- A. Steps to come: the manifestation of their supernatural powers. A word of caution: do not assume the 144k will become exhibitionists walking around as a traveling show. The presentation 144k Organizers/Managerial Corps gives the historical background of the Movements in the 1960s, 1970s, 1980s, etc., to show a parallel between the organizers of the 60s and 70s, using Yeshua's Organizers Template 70, to engender America's constitutionalized voting as its national identity; in like manner, the 144,000, pending engagement, will likewise be center on practical daily organizing but at a very advanced level. Using Template 70 (Luke 10:1), the Civil Rights workers achieved monumental results.
- B. Steps to come. The 144k's convocation. The Judahite understands partially what the ceremonial conference will be like. The 144k, Firstfruits, will work under the behest of Yeshua. They will be the theocratic Organizer/Managerial Corps. From biblical history, (a) the 144k will not taste death during the millennium, or (b) a percentage of the 144k will taste death during the millennium, or (c) Seventy of the 144k will make it to the end of the millennium.
- C. Steps to come. Revelation 14:1

*“Then I looked, and behold, a Lamb standing on Mount Zion, and with Him one hundred and forty-four thousand, having His Father's name written on their foreheads”.*

The Theocratic Counsel has been inaugurated and ready to execute. Like at Mt. Sinai, Elohim stood upon Mt. Sinai during the inaugural ceremony to bond the Israelites with his Ten Commandments and statutes. For the record, the old Covenant has been broken and replaced.

For clarity, everyone thinks Elohim came upon Mt. Sinai in two-dimensional form. Like physically standing face to face in conversation. The Judahite has no problem with this possibility. But the divine reality says otherwise. Consider the words of John: “*a Lamb standing on Mount Zion.*” John did not say I saw the Lamb. John is clear Jesus will be on Mount Zion speaking and talking to his Theocratic Managerial Corps as he spoke from Mr. Sinai that bound Manasseh of the East and Ephraim of the West to the Covenant on Pentecost.

## **Mt. Zion represents territorial Judah and the location of the Tabernacle.**

As on Mt. Sinai as on Mt. Zion, for practical purposes, Elohim stands outside of TIME and can be everywhere at the same time.

However, Mt. Zion stands in contrast to Mt. Sinai. Moses went up into the multi-dimensional cloud to converse with Yeshua. This time, the 144k will emerge with Yeshua, just as Moses Moses and Elijah did on Mt. Transfiguration. The 144k, bearing the name of Yeshua's Father written on their foreheads, certification to administer trusted justice. They will use their divine supernatural powers to eliminate any obstacles to the 144K's theocratic managerial assignments. Regardless of their display, concealed intentions, or openly expressed hostility, the opposition forces will be swiftly reduced to ashes.

## **Imagine, the very weather conditions we experience today are associated with biblical prophecy-the sealing of the 144K.**

### **The 144k have been sealed.**

- saying, "Do not harm the earth, the sea, or the trees till we have sealed the servants of our God on their foreheads." Revelation 7:3

On April 27, 2024, nearly two hundred tornadoes mercilessly tore through three American states in a mere twelve hours. This sudden onslaught left communities, just like ours, in a state of shock and devastation. Within minutes, homes were obliterated, no electricity, and lives were lost. The unpredictability of such events serves as a stark reminder that disaster can strike at any moment, leaving all vulnerable.

Since April 27, each day, there have been weather reports about storms, tornados, flash flooding, deaths, no electricity, and property destruction nonstop, including this current date, May 19, 2024. There are no indications that the weather intensity is going to ease any time soon. Remember, about 99% of the time, people expect others to be targets of bad weather. Indeed, it would help if you did not fall victim to what others say and do because some people are naturally fatalistic.

Contrasting the severity of weather pattern, Revelation 7:3 does not speak of weather conditions, though the weather patterns will continue to dislocate people.

The Judahite received direct diagrammatic communication from the Court of Heaven regarding earth shaking and the pending earthquakes around the world.

## Haggai 2: 20-22

And again, the word of the LORD came to Haggai on the twenty-fourth day of the month, saying,  
Speak to Zerubbabel, governor of Judah, saying, I will shake the heavens and the earth:  
I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; The horses and their riders shall come down, Everyone by the sword of his brother.

# May 15, 2024

The Judahite received direct diagrammatic communication from the Court of Heaven regarding earthshaking and pending earthquakes worldwide.

1. On May 2, the esteemed Court of Heaven directed The Judahite's attention to Campi Flegrei, emphasizing their crucial role in disseminating this vital information per prophecy.
2. After Campi Flegrei came a list of pending global volcanic eruptions and earthquakes.
3. Yes, Yellowstone was on the list.

On May 15, 2024, The Judahite was directed again to view the pending volcanos and earthquakes' imminent eruption regarding the **Big One: ENDEAVOR in British Colombia.**

On May 19, 2024, the crucial rotating list of pending natural disasters was again presented before The Judahite, underlining the faithfulness of God's words according to Revelation 7:3.

**Take-away.**

The Judahite sets no dates but fully realizes that immanency is at the door when the LORD repeats the notice three times. There is panic behind closed doors at the professional levels because immanent seismographic detection can no longer be rationalized in what-if scenarios.

Thus, we expect to be issued notices to the public at the last minute. Yes, that's the idea for last-minute notice to keep people occupied with everyday things of little importance until the last hour, giving them little time to escape. The volcanic ash will kill many. Remember, what is at your doorstep is global.

Timely, the 144K will give instructions on Yeshua's salvation plan. Indeed, those selected by the LORD for millennium work should not talk too much. Like when Noah went into the ark for seven days and did a lockdown, the flood waters came. Currently, FIRE, not water, will drive God's wrath.

Seize the opportunity to prepare by studying the likely locations of volcano eruptions in your area. Keep track of where the tsunamis are heading. In the case of Yellowstone, be aware that 2/3 of the Western states will be affected. However, if you are 100% sure you are under the managerial care of the 144K, there is no cause for alarm.
