

THE MAN-CHILD'S FIFTH BIRTHDAY

9/23/2021 marks the fifth year of the Man-child's conceptual birth in the heavens and immediately transferred to earth in the birthing nursery under The Judahite's guardianship. Using the birthing paradigm given by John the Apostle and Jeremiah, the Man-child evolved according to the Feast Days; then, in time, reached a milestone date, symbolically, the Archangel broke Judah's 400-years bondage chain. After which, the Archangel officially proclaimed the Jubilee Year with flowing milk over the city—a clear assertion that Judah's capital contribution with interest is due. Next, Yeshua's electromagnetic soundwave²⁵ of freedom came on February 25, 2020, for the Ten Tribes of Israel with the proclamation for them to claim equity assets. As a token of the Abrahamic Covenant of 27 trillion dollars, 27 million dollars were certified on the Feast Day of Pentecost. Moving ahead, on February 24, 2021, the Man-child left his nursery in maturity, taking the form of the Executive Body of Israel.

On Yeshua's birthday, September 1, 2021, the Congregation received a restoration notice through an illustration. Yeshua gifted us with love and grace to gift others. He displayed his attributes while on earth as a model. Pay attention to Yeshua's principle in the coming days: one is taken, and one remains behind to be judged. Also, the birthday promises to open the Eastern Gate at Jerusalem soon for the returning exiles.

A Reminder

The Judahite writes his presentations to the endorsed 144k, who share them with the waves of Firstfruits. No, The Judahite's presentations are not for the public. Of course, anyone who desires to read them can.

In this presentation, The Judahite addresses the basis for being in procedural steps for opening the Eastern Gate at Jerusalem. For a long time, 98% of Christians did not know the name of God, Yahawah. Now is the time to learn the correct word of your God. He has put his name in the geography where he is to be worshipped.

When speaking about the restoration of Israel, we presuppose all the twelve tribes possess a consciousness of their identities. Generally, tribal consciousness doesn't exist among the exiles due to the Mosaic Curses. Still, as a prerequisite for administrative processing within the Commonwealth, each tribe must be registered.

As of today, the Eastern Gate is pending to open for ceremonial purposes. While we are all excited, there is a systematized order for returning to Jerusalem. Many things are being worked on each day on different levels for reestablishing the exiles, though many are not fully aware of the angels working directly in front of us, clearing the way for our return.

The Executive Body of Israel in Exile is the formational government of the Commonwealth. The governing body will continue to take shape in the progression of prophetic events.

The joy of this presentation is in the affirmation of Judah's jurisdictional authority over Israel and the Eastern Gate. In distinction, the Executive Body of Israel doesn't share the same view of the unfolding activities in Israel. Qualitatively different, the current government in Israel will give way to the new government in exile.

Yeshua's birthday

On September 1, 2021, The Most-High granted The Judahite's petitioned to manifest the fourth letter in the spelling of God's name on the Eastern Wall at Jerusalem. Even better, within seconds, The Judahite's cupboard shelf brackets were supernaturally installed.

Whereas the letter manifested as a sign, the shelf brackets and the fallen shelf illustrated a matured developed prophecy specifically for exiles in exile. The fallen ledger and its repositioning combined to demonstrate the man-child's maturity. As such, we have coherency in predictions driven by The Judahite's jurisdictional authority over Israel.

The Archangel illustrated the concept of restoration that paves the way for the exiles returning home to Israel.

Section One

The names used for Jesus and God

Coming from under the Mosaic Curses, the Congregation of Israel now has liberation to use biblical names correctly. It is imperative for the 144k and the waves of Firstfruits to do so.

Jehovah, Yahweh, Yahawah = the God of Israel, the God of Abraham, Isaac, and Jacob

Generally known, the Torah is written in Hebrew. The language encodes spiritualized characteristics about Yahawah yet is functional for anyone to speak without knowing the encodes. The Hebrew alphabet places emphases on consonants with pictogram ideograms as communicative characteristics. As such, with knowledge of Hebrew, one can correctly translate biblical texts.

Those who have translated the Torah into other languages have come to make a distinction between transliteration and translation. For example, about five hundred years ago, the alphabet letter J came into being in the evolving English language. Thus, Jehovah is a translated name. On the other hand, Yahweh is a transliteration because the letter Y existed before the evolved English language. Likewise, Jesus vs. Yeshua.

The Judahite uses the name Yahawah. The adoption came after a revealing presentation of how the Torah encoded God's name. The person, inspired by God, used a sequence count of every fifty letters in repetition to spell Yahawah. **THE BIBLE VALIDATES ITSELF.**

Generally known, God's name is arranged by four letters known as Tetragrammaton. **Yod, hay, waw, hay, or YHWH. Also, yud, hey, vav, hey—YHVH (יהוה).**

Over the years, The Judahite has encouraged tolerance in using the name Jesus instead of Yeshua HaMashiach. Today, the Congregation has evolved as throwing off the Mosaic Curses in reclamation for correctly using the name of the Messiah, who has released the Soundwave25. Instead of the name Jesus, use Yeshua Hamashiach (Yeh-SHOO-ah Ha-Mah-SHEE-akh); "Jesus the Messiah."

According to the Scriptures, once God establishes his kingdom, the name Yeshua will give way to a different name. Rightly so, he will be referred to his divine titles as the King of Righteousness in the Commonwealth of Israel. Pay attention to the name's usage during the transitional period. Jeremiah 23:6

However, continue to make use of Yeshua's names in contexts. The Savior, the Messiah, the Prince of Peace, "garment, and on his thigh written: **KING OF KINGS, AND LORD OF LORDS**; the Son of Man, the Son of God, 'Immanuel,' which is translated, 'God with us,' " [Matt 1:23]. The Elohim, or the Elohiym, and the Redeemer.

Millennium usages interchangeable (Jeremiah 33:16)

- The LORD is our righteousness

- "The LORD Gives Justice."
- the Lord our just one.
- The LORD Our Righteousness.
- Our Righteousness.
- King of Righteousness
- The Most-High
- Yahawah in full pronunciation.
- The Elohim

Consider the names and their contextual ramifications.

- And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JEHOVAH was I not known to them. **Exo 6:3**
- Pay attention to him, and listen to him. Don't defy him, because he will not forgive your disobedience. He is acting on my authority. Exodus **23:21**
- Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. **Acts 4:12**
- That men may know that thou, whose name alone is JEHOVAH, art the most high over all the earth. **Psa 83:18**
- ^{2:1} And now, O ye priests, this commandment is for you. ^{2:2} If ye will not hear, and if ye will not lay it to heart, to give glory unto my name, saith the LORD of hosts, I will even send a curse upon you, and I will curse your blessings: yea, I have cursed them already, because ye do not lay it to heart. ^{2:3} Behold, I will corrupt your seed, and spread dung upon your faces, even the dung of your solemn feasts; and one shall take you away with it. ^{2:4} And ye shall know that I have sent this commandment unto you, that my covenant might be with Levi, saith the LORD of hosts. ^{2:5} My covenant was with him of life and peace; and I gave them to him for the fear wherewith he feared me and was afraid before my name. **Malichi 2:1-5**
- Sing unto God, sing praises to his name: extol him that rideth upon the heavens by his name JAH, and rejoice before him. **Psa 68:4**
- **I the LORD, this is my name: I will not give my glory to another, nor my praise to graven things.** The things I predicted have now come true. Now and new things do I declare before they spring forth, I will make you head them. **Isa.42:8**

**Yahawah Spiritualizes His Name at Jerusalem as seen
Geographically and Topographically**

The Hebrew letter and word above are associative to number 45 in the year 2017 when according to Jerimiah's seventy-year prophecy, commences Judah's prophetic jurisdiction over Israel. Indeed, The Judahite served notice of his authority at the magistrates' office of prophecy, known as the Wailing Wall in Jerusalem. Apphulus of the Maccabees engendered the Greek's Fort wall construction. Today, the Wailing Wall remains as the Courthouse. Remember, the Magistrate Court on Mt. Horeb is where Elijah received the court order telling the specific conditions for erecting the Wailing Wall.

Focusing, the contours of the alphabet Shin, seen above, mirrors the topography of Jerusalem. The shape comprises the Hinnon Valley, the Kidron Valley, and the Central Valley. Yes, the place where the LORD God has placed his name.

The Elohim told his servants he would show them where he would establish his name for the Congregation would come to worship, thus eliminating false claims of holy locations. Jerusalem is the Holy City. Accordingly, three notable historical events validate the topography of Jerusalem that mirrors the celestial arrangement of the heavenly Temple. Abraham presented Isaac in a burnt offering on Mt. Moriah; Melchizedek had his Temple on Mr. Moriah.

Melchizedek went out to meet Abraham with bread and wine after the Most-High God gave him victory. After his night vision in which angels descending and ascending to earth on a staircase from the Throne of Heaven, Jacob consecrated his pillow stone by pouring oil on it and making an oath to the Elohim of Abraham and Isaac.

A few words about Jacob's pillows stone: in contrast, a dream is not a vision, though a concept vision can occur with eyes open and closed. A vision is always an illustrative concept. A dream is a conversational form of communication on specific topics. Consider, therefore, "Jacob took the stone that he used for **his pillows** and set it up for a pillar and poured oil upon the top of it." That, "which I have set for a pillar, shall be called God's house." (Genesis 28:16-22). The interpretation: pillar equals Israel who would become the congregational Tabernacle of God.

Yeshua validates the geography of Israel, where each of the seven mountains represents precepts within his doctrinal teachings. Mt. Zion, Moriah, Gilboa, Beatitudes, Hermon, Olives, and Mt. Calvary. Reflecting the seven mountains of light, Jerusalem is the sum of these heavenly mountains where people come to learn about precepts and to pray the LORD's Prayer. Finally, Jerusalem imprints God's name of which is the geographical gateway to the Throne of God.

- 1) But now I've chosen Jerusalem to be a place for my name; I've chosen David to rule my people, Israel.' 2 Chronicles 6:6
- 2) And the LORD will take possession of Judah as His portion in the Holy Land, and He will once again choose Jerusalem. Zechariah 2:12
- 3) Howbeit the LORD God of Israel chose me before all the house of my father to be king over Israel for ever: for he hath chosen Judah *to be* the ruler; and of the house of Judah, the house of my father; and among the sons of my father, he liked me to make *me* king over all Israel. 1Chronicles 28:4

Jerusalem's Wall Gates

The Eastern Gate, the Golden gate, is expected to be unsealed soon.

Recently, the discovery of vines growing on the Eastern Wall depicting the word Yahawah has garnered international attention. To many in the Christian faith, the sign is good news knowing Yeshua will be returning soon. However, most Christians expect a one-step manifestation. The Judahite holds that a forerunner comes before Yeshua's Second Return in the flesh. Hence, a two-step operation. Look.

The depiction has led many to match scriptures with the sign. In the context of the New Covenant, The Judahite's interpretation differs from all others. Simply put, judgment is about to fall on the state of Israel. Secondly in meaning, the Eastern Gate opens for the returning exiles.

The Eastern Gate ordered shut

- Ezek ^{44:1} Then he brought me back the way of the gate of the outward sanctuary which looketh toward the east; and it was shut. ^{44:2} Then said the LORD unto me; This gate shall be shut, it shall not be opened, and no man shall enter in by it; because the LORD, the God of Israel, hath entered in by it, therefore it shall be shut.

The Gate will open per specified conditions

- Ezek ^{44:3} It is for the prince; the prince, he shall sit in it to eat bread before the LORD; he shall enter by the way of the porch of that gate shall go out the same way.

The North Gate is non-physical, yet the global Tabernacle is filled with God's glory.
^{44:4} Then brought he me the way of the north gate before the house: and I looked, and, behold, the glory {Exiles} of the LORD filled the house of the LORD: and I fell upon my face."

Ezekiel's reference to the North Gate is not directional to the Eastern gate. When viewing Ezekiel's proposal, the gates' orientation is pastoral, not about bricks and wood, rather the organizational structure of the Congregation in exile. Look, 99% of Israel and Judah exist outside the Israeli State of Zionism. Still, the Tabernacle, the exilic corporate body of prophecy will make a sound of jubilation worldwide when the Eastern Gate opens.

Who will walk through the Golden Gate?

The vast majority of Western Christians believe Yeshua will walk through the Eastern Gate. As an alternative view, whereas Zechariah describes the glorious moment when Yeshua rode on a donkey through the Eastern Gate on Palm Sunday because he signified the liberator, overthrowing Roman's authority; however, the appointed prince will walk through the Gate.

Sharing the same taste and feeling of freedom exhibited on Palm Sunday, The Judahite holds that the moment of euphoria will once again be displayed but amplified to a glorious pitch worldwide once the appointed prince walks through the Eastern Gate.

The **Soundwave 25** (February 25,2020) validates Yeshua's returned to the earth—the paradoxical rallying cry: **I can breathe again**. Yeshua's traveling Soundwave25 is about to push open the Gate for Judah and Israel to walk through in the glorification of Yahawah. Hence, the energy concentration focuses on exalting the heavenly Throne, magnifying our God who keeps his promises, ennobling the Commonwealth's incorporation within his theocracy.

Though we are clay pots, yet we symbolize the spiritual attributes of our LORD God. Like on Palm Sunday, we will be giving praises to Hosanna in the Highest. The King of kings and Lord of lords. "Yet we who have this spiritual treasure are like common clay pots, in order to show that the supreme power belongs to God, not to us." 2 Corinthians 4:7

PSALM 118

^{118:25} Save now, I beseech thee, O LORD: O LORD, I beseech thee, send now prosperity. ^{118:26}
 Blessed be he that cometh in the name of the LORD: we have blessed you out of the house of the LORD. ^{118:27} God is the LORD, which hath shewed us light: bind the sacrifice with cords, even unto the horns of the altar. ^{118:28} Thou art my God, and I will praise thee: thou art my God, I will exalt thee.

Palm Sunday signal the closing days of Yeshua's public ministry on earth.

- Zech ^{9:9} Rejoice greatly, O daughter of Zion; shout, O daughter of Jerusalem: behold, thy King cometh unto thee: he is just, and having salvation; lowly, and riding upon an ass, and upon a colt the foal of an ass.
- And the multitudes that went before, and that followed, cried, saying, Hosanna to the Son of David: Blessed *is* he that cometh in the name of the Lord; Hosanna in the highest. Matthew 21:9
- For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed *is* he that cometh in the name of the Lord. Matthew 23:39

The LORD qualifies the one to represent his Name.

- Go through, go through the gates; prepare ye the way of the people; cast up, cast up the highway; gather out the stones; lift up a standard (**the Executive Body of Israel in Exile**) for the people. Isaiah 62:10
- The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it; and thou shalt know that the LORD of hosts hath sent me unto you. Zechariah 4:9
To Zerubbabel: Psalms 138:8

**The prince's operational priorities include destroying
ALL national military armies on the earth with global authority over
ALL nations.**

- “And I will destroy the chariot out of Ephraim, and the horse out of Jerusalem, and the bow for war shall be broken and he shall speak peace to the Gentiles, and his power shall be from sea to sea, and from the rivers even to the end of the earth.” Zech 9:10
 - (1) And in that day, there shall be a root of Jesse, which shall stand for an ensign of the people; to it shall the Gentiles seek: and his rest shall be glorious. Isaiah 11:10
 - (2) Ask of me, and I shall give *thee* the heathen *for* thine inheritance, and the uttermost parts of the earth *for* thy possession... Psalm 2:8-12
 - (3) He shall have dominion also from sea to sea, and from the river unto the ends of the earth... Psalm 72: 8-11
 - (4) Who *art* thou, O great mountain? before Zerubbabel *thou shalt become* a plain: and he shall bring forth the headstone *thereof with* shoutings, *crying*, Grace, grace unto it. Zechariah 4:7

A Mixtures of Prophetic Activities

Over the past seven years, The Judahite's apartment unit has served as a spiritual environment ecosystems having interdimensional realities in which activities and events proliferated in such

formats as: a showroom, cookery, dramatics, facsimile, simulation, the cognatic nursery of the man-child, a laboratory for finding new equations (Judah's relation to the Ten Tribes and the Gentiles), a courtroom for petitioning either modification of statutes or establishing new regulatory codes, a legislative body that interfaces with Magistrate of the Heavenly Court's Rulings, statutory replications, the formula for the New Covenant between the Most-High God and the houses of Judah and Israel, the ratification of the New Covenant, etc.

Terms:

1. Cupboard is a word used for storing food, food inventory, and kitchen utensils. The dictionary defines cupboard: "a piece of furniture or a recessed area of a room, with a door concealing storage space."
2. An online dictionary defines a kitchen cabinet: a cupboard built into a kitchen or a chest of drawers for kitchen use, as for dishes and silverware.
3. Merriam-Webster dictionary defines kitchen cabinet: "an informal group of advisers to one in a position of power (such as the head of a government)."

Kitchen Cabinet' Advisors to The Judahite

Over the years, The Judahite gave real-time eyewitness to shelf brackets falling from the bottom of five different shelves. Most of the pins fell during restocking. As a result, The Judahite used other means for continued ledger use.

For example, the two pegs were removed from the upper cabinet next to the stove over six months ago. The Judahite used tea boxes to hold up the shelf. On September 1, 2021, at about 11:01 pm, the entire top shelf fell upon the ledger below. Where the old pegs were once located and removed months ago, two new brackets appeared on the right side.

The Judahite removed objects from the ledger, after which, picked up the shelf and repositioned it. Indeed, The Judahite is very grateful for the top-quality counseling given by the Angel, upgrading The Judahite's consciousness through illustrations. The Angel acted as the kitchen cabinet definition: "an informal group of advisers to one in a position of power (such as the head of a government)." In context, the adviser to The Judahite.

An explanation of the supernatural events follows below.

The Feast of Atonement overlays Yeshua's birthday September 1, 2021.

On August 31, 2021, The Judahite posted his presentation: *Two Conceptual Births Comings from the Heavens in the Same Month*. From the published production, see a featured quote below.

God's name appears in vines growing on retaining wall on Temple Mount, the Eastern Wall of Jerusalem in Hebrew. According to Jewish expectations, the highlighted area is where the fourth letter will appear, completing the name Yehovah, then arises the LORD.

Expectations aside, the three circled letters appear in the forms of plants, and the fourth letter will appear, completing Yahawah's name spelling. When? An explanation.

Briefly, The Judahite gave legal notice of jurisdictional authority over biblical prophecies related to the exiles' return to the land of Israel in 2017. The Judahite's envoy, selected by Apostle Paul, served legal notice at the magistrate's office representing the Wailing Wall per Elijah's Court Order.

On Wednesday, September 1, 2021, an alert message came to The Judahite regarding the fourth letter completion that would appear **at the end of today**. Whereas the fourth letter completes the name spelling as a symbolic sign to the Gentiles and a supportive sign to the Congregation, The Judahite asserts jurisdictional authority over returning home consistent with the man-child's mission.

Overall, the name on the wall is the writing on the wall announcing judgment on the Israelis and not specifically to the opening to the Eastern Gate. Yahawah's name as the Magistrate's seal, authoritatively, orders the government falls.

The state of Israel will stop hosting tourists to see useless biblical sites, **"for we walk by Faith, not by sight."** The Executive Body of Israel places effort on institutionalizing precepts under the New Covenant per Mosaic Economic Treatise.

Surfside condo's collapse is one form of executable judgment that will fall on the Israelis per the Magistrate's Court Order given to Elijah.

The essential site to retain in Israel is for the entire world to see the living enshrinement of the New Covenant, the fulfillment of the 400-years Abrahamic Covenant. We will not live in the past, don't want to see anything of old. God has negated the old Covenant. Jeremiah chapter 30 tells of a new era, so why return to images of Old?

✚ *"And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee." Deuteronomy 28:10*

✚ *"And it shall come to pass in the last days, that the mountain of the LORD'S house shall be established in the top of the mountains and shall be exalted above the hills; and all nations shall flow unto it." Isaiah 2:2*

New shelf brackets appeared within the cupboard on 9/1/2021 @ 11:01 p.m.

“On Wednesday, September 1, 2021, an alert message came to The Judahite regarding the fourth letter completion occurring at the end of today.”

The Sequence of Events on September 1, 2021.

During the Honoring Service Program for Yeshua, supernatural activities occurred. Closing the Service in prayer around 11 pm before the Great Meal at 11:30 pm, The Judahite petitioned the fourth letter of God’s name manifestation before midnight.

Modifying The Judahite’s Petition

Within seconds, the Archangel presented The Judahite with a matured conceptualization of his request.

At 11:01 pm, the entire top shelf fell upon the shelf below supernaturally in conjunction with the installation of two new pegs. For sure, over six months ago, the old pegs were removed after the peg holders supernaturally broke off, no longer having the lips to support the ledger. Simultaneously, the shelf fell, and the two brackets were installed supernaturally.

Procedurally, the new brackets represented the New Covenant. The Judahite had to remove items from the fallen shelf to reposition the ledger to its original position with the actual objects of coffee, a can of cherries, and a champagne glass. The joy of resurrection.

Psychologically, The Judahite restrains himself from opening the door to look in with joy like a child after receiving a Christmas bicycle. Seeing the shelf in its resurrected position is a constant pleasure.

Thus, Heaven declares: Judah’s restoration. The Golden Gate will be opening soon. For all practical purposes, Yeshua validated his name on September 1st by restoring the fallen shelf in conjunction with completing the last letter in name as noted on the Eastern Wall.

 ***“And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee.”***
Deuteronomy 28:10

Walking with your tribal identity through the Golden Gate in the euphoria of Palm Sunday

The highest priority at this moment is to learn your tribal affiliation in preparation for walking through the Golden Gate in the spirit of Palm Sunday.

- Knock three times on anything before petitioning the Holy Spirit. Procedurally, with each name, knock and wait to hear three knocks that would confirm your biblical identity.

Asher 1; Dan 2; Gad 3; Issachar 4; Naphtali 5; Reuben 6; Simeon 7; Zebulun 8;

Judah 9; Benjamin 10; Levi 11; Joseph 12. Joseph's sons: Manasseh 13; Ephraim 14.

The Twelve Days of September 2021 (1st thru 12th)

There is a principle in Yeshua's twelve days or twelve years of birth that reflects the days and years following the Man-child's birth, which is September 23, 2021. At the age of twelve, Yeshua's declared his mission to his parents, telling them of his mission on earth. The Judahite views Yeshua's Temple conversation with his parents as his theological manifesto.

On September 11, The Judahite went into a deep mediative conversation with his Archangel about his horizontal transitioning to work more effectively forward organizational development of the Executive Body of Israel. While in exchange, in the background, Americans commemorated 9/11, a date that the globalists flexed their authority. Look, bombing the Pentagon was an act of war. Even a blind can see bombing the U.S. Military Headquarters as a declaration of war. Besides other objectives, the actions cracked the Americans' psychic—no longer thought to be invincible.

Two points: The Judahite holds the principal parties behind 9/11 included the British/Israeli's alliance with extended support, including the Chaldeans, banking class of Dan, who manages the global Central Bank System. As planned, trillions of dollars disappeared. To this very day, no one can locate the money despite congressional hearings. The inability of government departments to retrieve the funds falls under the classical definition of absolute POWER. As known, no national government stands above the Beast-system and Babylon the Great. Even so, God sees and knows all.

Section Three

September's birthdays interwoven into the Feast of Atonement

Using the dates given to Nat Turner by the Archangel, the Feast of Atonement covers the latter part of August thru the last part of October, where the Feast of Weeks commences leading to the Feast of Tabernacle on November 5.

September comes as a dimensional overlay, allowing the introduction of Yeshua's birth-mission to the Ten Lost Tribes of Israel found in the land of Egypt America. Archangel tortured Nat on events related to his timeline and location in history. Listen to what Nat, the Asherite, said to the Ten Tribes of North America:

“After this revelation in the year 1825, and the knowledge of the elements being made known to me, I sought more than ever to obtain true holiness before the great day of judgment should appear, and then I began to receive the true knowledge of faith. And from the first steps of righteousness until the last, was I made perfect; and the Holy Ghost was with me, and said, “behold me as I stand in the Heavens”—and I looked and saw the forms of men in different attitudes—and there were lights in the sky to which the children of darkness gave other names than what they really were—for they were the lights of the Saviour’s hands, stretched forth from east to west, even as they were extended on the cross on Calvary for the redemption of sinners.”

The Asherite expressed doctrinal clearly regarding the birth of the man-child. The first shall be last, and the last first, meaning the September 1st birth of Yeshua precedes the Man-child’s birth on September 23, the celestial birth (Revelation 12) witnessed by millions.

**Notice of Dunwoody’s explosion came to The Judahite at 6 am
on the twelfth day of September and around 1 pm, the explosion manifested**

The explosion at the Dunwoody apartments came to The Judahite as an illustrative blueprint for clarity assistance in the conversational exchange on 9/11. To The Judahite, the name Dunwoody is a particular place with a purpose in his life years ago. With that in mind, The Judahite has an environmental reference point.

The administrative order of heaven has unlimited ways of communicating to the servants of the earth. For example, the Levites priests wore different color stones on their vests. The priests received lighted flashing stones in a code per petitions. Still, the Most High communicates in various ways to his servants and prophets. The Morse code has some similarities to how the organization of heaven communicates with The Judahite.

At 6 am on September 12, 2021, The Judahite received notice of an answer in the conversation exchange on 9/11. Between 1pm and 2 pm, an explosion occurred at the Dunwoody apartment complex outside Atlanta, Georgia. The local authority has reports of people smelling natural gas. Currently, the investigation concludes a natural gas leak caused the explosion.

We have images of the explosion as hard evidence from which to draw a conclusion or conclusions.

Facts check about natural gas combustion.

- a. The Judahite grew up in the South. It is common for people to smell natural gas in and around their houses. Once, it was common to hear reports of gas explosions in the early years. Since then, manufacturing products have improved as they minimize gas leaks that sometimes cause of combustions. For example, better-designed stoves, hot water heaters, heating devices or heaters, and furnaces or central heating.
- b. The gas industry improved piping. At one time in the early days, nothing was used to seal the connecting pipes; or the products used at the time proved to be inadequate. However, in the progression of time, many different pipe sealants have entered the retail market.

Likewise, many other devices to detect gas leaks are on the retail market. In short, the plumbing industry has been upgraded with new codes, making it easy to see persistence problems.

- c. Remember, something must act as a trigger for a gas explosion. We have the calculations to determine the volume of gas within an enclosure to equal its manifested conversions or combustion; therefore, gas seepage did not cause the explosion with a degree of certainty.
- d. Reports of smelling gas. (1) For sure, reports of smelling gas came after the explosion. (2) a few persons reported smelling gas in the area (not within the complex) days or weeks before the explosion. Even so, the calculations don't add up to cause the combustion. (3) It is common for gases to seep from underground. Several reasons can be given for escaping gases from the underground that causes fires; thus, making my point, the smell of gas can be traced to different locations and sources.
- e. The combustion did not cause a fire. What? Yes, no fire. This fact in and of itself is the smoking gun. Do you get it? Look, in some global places, the underground gases will burn as an inferno, trapping many people as in an oven.

Look at the images:

Yeshua's Principle is scalable from
One is taken, and one remains; to some are taken away and
many remain judged according to their deeds.

**Non-Behavioral performance is the measuring stick
to determine the first ones taken.**

9/11 is a milestone for better understanding the judgmental procedure of “one is taken, and one remains to be judged.”

Because of the topical constraints of this presentation, The Judahite presents information as guideposts, whereby per one's level of interest, time will not be a problem in researching historical cases.

First, history gives us the city of Babel and the Tower of Babel. The motivation for constructing the Tower to stand in disobedience to the LORD God, as such disobedience became a device during **work performance**. For example, if told to bring bricks, workers would bring water; if told to bring mortal, one would get a food item. Disobedience among the workers drove the construction to an end. People of different tongues or languish formed groups and diffused themselves in all directions across the globe.

The World Trade Centers. Six months before the 9/11, The Judahite visited the World Trade Centers in search of investment partners.

9/11 was an orchestrated campaign with the objectives to financially strengthen Dan's banking class, establish a psychological victory over America by bombing the Pentagon, and serve as an aid in managing the global economy. In this regard, Daniel's 1:20 ratio forces the globalists to do whatever needs to be done to stay within the ratio's constraints. Simply put, the current global economic system cannot transcend Daniel's 1:20 ratio, for, on earth, the economics will never permit development beyond 1:20. The globalists know this, but China doesn't know because it is an imperialistic nation and sees the world as its global empire. Still, the banking class Dan gave China her mission, which is self-automated—moving according to the rules of capitalism.

In all, the World Trade Center exemplifies the biblical proclamation of one taken and one left behind for judgment. After the first Tower fell, minutes later the second Tower fell in judgement. Again, the key word is performance in the answer. Like the fall of the Tower of Babel, the process of diffusion weakens the Petrocurrency after the Trade Center Towers collapsed.

The operational aspects of diffusion are seen in the implosion of companies and corporations. The Globalists do what they must do to maintain the Beast-system and Babylon the Great.

**Instead of giving precise dates,
Yeshua commands all to be watchful of signs with discernment**

The Judahite gave a descriptive profile of the coming destruction of Damascus. In Boulder, Colorado, a Syrian killed ten people in a store that calls attention to how Damascus demised will come about by the impact of boulders. Presented as a classical archetype, the Syrian took ten lives, but now he stands before the judge.

Moreover, the Syrians have the ten tribes of Israel for an exilic model for anticipating their captivity, never to return home.

Surfside condo collapse. One structural part went down, and the other part remained standing. Being fearful of Elsa's unpredictable winds and rains of destruction, the other half of the condo was demolished on order from the mayor. Again, one is taken by God, and one remains to be judged. Elsa validates the Most-High's archetype.

Surfside links to Boulder/Denver. As the earth was opening her mouth, a wife was talking with her husband in real-time about what she was seeing before disconnecting from her husband, as she went down in the collapse too. He was in Denver at the time. Many Jews were residents of the condo with family members living in Israel.

Today, when looking around the world, the signs are apparent for those who discern, knowing where the hour-hand on the clock is at. For example, the Haitian migrants at the U.S. border is an absolute ominous sign of America's fall. The issue is about 16,000 migrants' mistreatment who are searching for a better life in America. Many Haitians comprise the tribe of Levite. For the record, Haiti played a critical role in American history. If the spiritual element were removed from history, America would be a different country like European states. By adding the spiritual part, Haiti played a crucial role in forming the altar to the LORD in the center of the United States of America. Isaiah speaks of the altar in the nation's center, Oklahoma, the capital of the ten tribes.

The prophetic connections compose the prototypical model:

One is taken, one remains to be judged.

Elsa confirms God's model of promised judgment.

Surfside condo and Dunwoody apartments chorusing suddenly, suddenly!!

Dunwoody's Message to people worldwide: "Suddenly," Suddenly." The words heard repeatedly with trepidation from those living in the area.

All the people who gave witness to Dunwoody's explosion use the word suddenly, suddenly, suddenly!!! Yes, being in the right season, the watchword: always be ready. One will be taken physically to a burning fire of damnation, and the 144k and the waves of Firstfruits will be taken into protective custody. The rest will have to wait until God's wrath is over or until after the effects of the seven vials' release.

Indeed, destruction is coming upon the world, 1000 times greater than Dunwoody.

As a historical note, **timing** is everything. Throughout history, a studious group of people or persons understood the relativity of time indexes to the correct biblical feast seasons. As such, they

know that God's time is not equivalent to man's time, though man and woman have the intellect to learn of God's signs and to act accordingly.

No need for educational credentials. Thus, the only requirement is to study the Bible with the guidance of the Holy Spirit and keep one's eyes open.

Regarding timing, God has pre-selected individuals to act as his judicial gavel, specifying times of judicial affirmations.

For example, Ezekiel slept on his side for forty days and cooked his food on cow's dung as a repentance notice to the Northern Ten Tribes. Ezekiel is one of several on the list of gavels. The LORD used Jeremiah to convey to the remnant of Judah never put his NAME into their mouths again. They escaped to Egypt in disregard of the order to go to Babylon for their wellbeing. They were all killed by Nebuchadnezzar, who would have given them life; such is a twist of irony. He annihilated Egypt. Isaiah walked naked for three years. For three hundred years, Judah, numbering in the millions, walked naked after 70 AD. Being on the run from the enemy of hunger, diseases, warring with non-Judeans, and the Arabs slave traders, they lost the knowledge of production methods to make clothing.

The Judahite has used dung as prescribed by the Elohim, signifying the coming reality of countless rotten dead bodies worldwide waiting to be covered.

As seen today, the world situation doesn't look good, for the signs of the time are everywhere.
