

Two years after hearing Soundwave-25, Yeshua's wavelength returned on 25 February.

February is the Month that Reveals the Trustworthiness of God's Words.

Starting in 2017, events occurring in January are confirmed in February. The featured event in February foreshadows events in May that drive events for the rest of the year or years. May contains (9:14am) two dates: the traditional date of Pentecost and the prophetic dates in direct association with the featured date of February.

The month of August comes as declaratory judgments upon America/Chaldean/2nd Beast. We are given solar or lunar eclipses as signs, the start of Atonement. September comes as the promised month of restoration, the gifts from Heaven in the personality form of Yeshua and his functional character image Man-child, who represents the Executive Body of Israel. We arrive at the latter part of October and the first part of November at the pre and actual Feast of Tabernacle, a time for celebrating ourselves as the fashioning of ourselves as the new Temple acceptable to the Elohim. Finally, we arrive in December, where we celebrate each of the twelve tribal identities expressed in the Festival of Light.

A Few highs of January

- I. January 2022 displayed the Festival of Lights—tribal identity recovery and the new prioritized timetable for departure, including Jeremiah's judgments on Babylon, the Chaldeans, and the Dragon & serpent.
- II. From January 8 through 24 January, Archangel Raphael systematically illustrated to The Judahite the general collapse of imperialism. The Commonwealth of Israel will absorb the Dragon. Many nations will have an assigned access link (10:14 am) to the Commonwealth of Israel.
