

December 29th The Festival of Lighting

The 29th arrived with expectations of realizing arranged positions of domination and subordination of countered forces to accelerate the drive to separate, that is, the Congregation from the system of imperialism. Twenty-nine divided half of the day into the expected beginning of a new era, with the other half with expected judgment on Babylon.

Distinguishing today from yesterday, the 28th overall amplifies pre-determined components or strengthens pre-destined elements going toward the Commonwealth of Israel. Today we expect to start seeing transitional steps regardless of the degree.

Knowing the Theology of a pair of white socks with a grey bottom.

After washing up, The Judahite decided to wash his socks that had soaked overnight in the bathroom. The washed socks are a different pair from yesterday used for resting the eyeglasses. The teaching Spirit has given the theological precept that incorporates socks with the association of feet, socks, shoes, and walking. The current situation encourages us to see the socks as an enhanced theological precept. In that regard, the Israelites walked out of Egypt toward their homeland.

Over a year ago, The Judahite mathematically corroborated what the LORD said about the journey. As stated, the Israelites walked toward the Red Sea without **gravity**. Yes, over two million people walking on an invisible conveyer belt is the best description for the speed of travel.

Again, today, we expect the armies of heaven to move the Congregation from points A to B and C. The Judahite expects phased transitioning, with a massive percentage of the Congregation moving after the **punishing nations** become immobilized from top to bottom, unable to do anything about the forward movement.

Jesus Christ came to deliver his New Testament

In consideration, Jesus fulfilled the first half of the Feast Days outlined in the Old Testament. The unfilled Feast Days after Jesus' ascension were doctrinally fulfilled when Judah arrived in North America and again when Jeremiah's Seventy-year prophecy was accomplished. Additionally, 2019 came as a year of ongoing Feast fulfillment; likewise, 2020.

Entering the Lands of Promise with purified socks and feet.

- Wash and cleanse yourselves. Remove your evil deeds from My sight. Stop doing evil. Isaiah 1:16
- Peter declared, "Never at any time will you wash my feet!" "If I do not wash your feet," Jesus answered, "you will no longer be my disciple." Simon Peter saith unto him, Lord, not my feet only, but also my hands and my head. John 13:8-9.

Leaving the bathroom after washing the pair of socks

Washing the socks was the pre-condition for receiving the illustrative signs that followed.

Supernaturally

- i. The Judahite found the bathroom door opened 29" from the frame, a divine date validation.
- ii. By the doorframe appeared a broom and a dustpan.

NOTICE: hereafter, the matter has reached its conclusion. The broom represents cleaning and a new beginning, and the dustpan represents cheerfulness according to biblical twenty. Such are our expectations. From another perspective, the Magistrate has issued its ruling. There is no basis for questioning our coming days of the new beginning; we can and will express our cheerfulness.

Judgment

The Judahite received another sign that has a proven track record, the sign of DEATH as related to biblical nine. DEATH is statutory in large numbers, necessary to make way for a new beginning.

- “I will turn Babylon into a marsh, and owls will live there. I will sweep Babylon with a broom that will sweep everything away. I, the LORD Almighty, have spoken.” Isaiah 14:23

The 29th has delivered its decree. The divine ruling from the Magistrate concludes the whole matter.
