

UPDATES

July, August, and September 2025

Received July 31, 2025

Some are seeking understanding between the summand 10 for July and the operand 13 on the last day of July 31, 2025.

On July 31, the heavenly court confirmed the cleansing, protection, and renewal of the personalized identity of the exiled Israelites under the New Covenant. As such, the evidence of summand 10 has been recorded, as all the elements needed to define it have been included. All other aspects have been excluded.

Meanwhile, ongoing attention is focused on the exclusivity of summand 10. This includes, but is not limited to, government actors who seek to sustain an environment of impurity; individuals engaging in lifestyles contrary to the Ten Commandments; and entities attempting to undermine the awards granted under the Abrahamic and Mosaic Covenants by claiming such inheritances are invalid through their religious perspectives propaganda.

Overall, July's 10 summand is a complete system and will be visible throughout the Transitional Movement of Relocation, guiding us to the doorstep of the Messianic era. Even so, we do expect to observe other summand systems operating alongside the July 10 summand.

Operand 13

The operand 13 appeared on July 31, the same cutoff date given to summand 10. We observed an overlap on that day, not seen before; yet, the observation is an advancement in knowledge of how biblical events unfold.

13 symbolizes “rebellion, apostasy, and revolution.” Now, consider the importance of 13.

Genesis 14:1-17 narrates how Chedorlaomer, King of Elam, was part of a confederation with four kings to oppress the five kings of the plain, including Sodom and Gomorrah. For twelve years, the five kings paid tribute. In the thirteenth year, they rebelled. Chedorlaomer and his allies fought against them and defeated the five kings. They were unaware that Lot, Abraham's nephew, and his family were among the captives. Abraham's army then defeated Chedorlaomer and rescued Lot.

Another use of thirteen is Ishmael.

- *And Ishmael, his son, was thirteen years old when he was circumcised in the flesh of his foreskin. That very same day, Abraham was circumcised, and his son Ishmael. Genesis 17:25-26.*

Perpetual rebellion against his brothers

- *He shall be a wild man: his hand will be against all men, and all men's hands against him: and he shall pitch his tents over against all his brethren. Genesis 16:12*

Given the overlap of 10 and 13 on July 31, the heavenly court combines the hyperoperations (31 in reverse appears as 13), so we can view the overlap as unified moving forward.

In reviewing July, the updates reveal signs of rebellions linked to 13. With that in mind, check the headline news each day[17,18,19 & 27] for any insightful clues about rebellion against and for the Transitional Movement of Relocation. Indeed, the Israelites are in the process of initiating a revolution for Judahtocracy and the Israelites' Commonwealth of Labor. Also, include in your search acts of God and man in clearing away opposition against Mt. Zion (Judah), acts of protection, and acts of renewal embodied in 10. Do not ignore yourself and your social and political interactions.
